# GOD GOD GOD

- » His holy Commandments must be taught to our children.
- » His holy Commandments must be taught to our families.
- » His holy Commandments must be taught to our relatives.
- » His holy Commandments must be taught to our fellow Christians.
- » His holy Commandments must be taught to our grandchildren.
- » His holy Commandments must be taught to all generations.
- » His holy Commandments must be known.
- » His holy Commandments must be kept wholly.
- » His holy Commandments must be lived.
- » His holy Commandments must be honoured.
- » His holy Commandments must be respected.

His holy commandments and statutes must be taught at all time in all societies, first at home and then in society, as Himself our Lord and our GOD commanded and decreed in Deuteronomy 6:1-25.

GOD GOD GOD

GOD The Almighty One, The GOD of Abraham.

GOD The Almighty One, The GOD of Isaac.

GOD The Almighty One, The GOD of Jacob.

GOD The Almighty One, The GOD of Elijah.

Commanded and decreed to all mankind, of the past, of the present and of the future, not to sin at all; then why upon why, you and me, and our fellow mankind, why do we sin?

Using our human pride, which is devilish, we start fighting with GOD 's decrees.

We start fighting His holy Commandments.

Your children, your family members, start fighting GOD 's decrees and commandments.

The society totally fights GOD 's decrees: the society is full of expertise of sinning.

***Where are we going mankind?***

***Why do we want to anger GOD ?***

## Why do we want to provoke the anger of GOD upon ourselves?

We, mankind, who cannot put in order the Climate Change. Why, and upon why, do we provoke the one who created the climate? To you, to me, deeply question yourself:

- a) What went wrong with us?
- b) Why don't we want to understand and fear GOD ?
- c) Why don't we want to understand and keep GOD 's holy Commandments?
- d) Why do our children and our children's children not want to keep the decrees and statutes of GOD ?
- e) Why does our society not want to keep the decrees and statutes of GOD ?
- f) Why do our nations not want to keep the decrees and statutes of GOD ?

You and me who fear GOD , you and me who love GOD , and love our fellow mankind,

- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to forgive us mankind.

- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to pardon us mankind.
- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to have pity on us mankind.
- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to absolve us mankind.
- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to heal us mankind.
- » May we intensify our prayers of intercession, of begging the Almighty GOD , in all of His goodness and divinity, to re-create us mankind.

For we have lost direction, like the children of Israel who had become idol worshippers, when they repented, GOD in His justice and mercy, made them to wonder in the desert for forty years. May we repent: may we get united to our Lord and our GOD , who is our Creator.

- » May we make a spiritual U-Turn to GOD .
- » May we make a total U-Turn in our morals.
- » May we make a total U-Turn in our talking.
- » May we make a total U-Turn in our dressing.

- » May we make a total U-Turn in our actions.
- » May we make a total U-Turn in our meditations.
- » May we make a total U-Turn in our desires.
- » May we make a total U-Turn in our priorities.

In order to get GOD 's graces and blessings,

~ as He said to Moses in Deuteronomy 28:1-14

**Blessing for Obedience,**

~ And in Leviticus 26:1-13 **The Reward of Obedience,**

~ Also in Isaiah 55:1-13 **An Invitation to Grace.**

*May we turn to GOD wholeheartedly, you and me.*

*May we teach our children to turn to GOD  
wholeheartedly.*

Then our Lord and our GOD will be happy with us, the handmade of His, and in His divine love, the world will be at peace, the world will be calm, the world will not have the so-called Climate Change.

- ~ The world will be free from earthquakes.
- ~ The world will be free from volcanoes.
- ~ The world will be free from tornadoes.
- ~ The world will be free from tsunamis.
- ~ The world will be free from floods.

- ~ The world will be free from mudslides.
- ~ The world will be free from avalanches.
- ~ The world will be free from drought.
- ~ The world will be free from hail storms.
- ~ The world will be free from whirlwinds.
- ~ The world will be free from pollution.
- ~ The world will be free from heat waves.
- ~ The world will be free from wild fires.
- ~ The world will be free from epidemics.

And so on, and so on, and so on.

For GOD said it openly in Deuteronomy 28:1-14, and in Leviticus 26:1-13.

Amen and Amen.

My brothers and my sisters, beloved ones of GOD , young and mature, in all the seven continents in this world, I kindly beg you to read and meditate carefully on:

- ❖ Deuteronomy 5:1-32 as well as
- ❖ Deuteronomy 6:1-52.

- 1) You will enrich yourself, and your family will be enriched in GOD 's divine laws.
- 2) You will enrich yourself and your family in GOD 's Commandments.

- 13) Then you will know that you cannot joke with His holy Commandments.
- 14) Then you will know that you cannot ignore His holy Commandments.
- 15) Then you will know that you cannot manipulate His holy Commandments.
- 16) Then you will know that you cannot dilute His holy Commandments.
- 17) Then you will know that you cannot overlook His holy Commandments.
- 18) Then you will know that you cannot neglect His holy Commandments.
- 19) Then you will know that you cannot doubt His holy Commandments.

And so on, and so on.

You and me, my brothers and my sisters, you and your family members, you and your fellow countrymen, and all of us mankind created by GOD , blessed by GOD , may we ask our very selves:

- » Why upon why, do we sin?
- » Why upon why, do we love sinning?
- » Why upon why, do we come closer to sin?
- » Why upon why, do we entertain sin?
- » Why upon why, do we collaborate in sinning?

when we very well know and see that we are going to offend GOD , The Alpha and Omega.

Question yourself, and all us mankind we question ourselves. Then why do we hate our very selves by sinning, and by going against GOD , rejecting for our very selves the blessings which come from GOD .

Remember upon remembering, until GOD will call you from this world,

- a) That He is the Creator of Heaven.
- b) That He is the Creator of Earth.
- c) That He is the Creator of the sun.
- d) That He is the Creator of the moon.
- e) That He is the Creator of the stars.
- f) That He is the Creator of sky.

- g) That He is the Creator of the universe.
- h) That He is the Creator of the galaxies.
- i) That He is the Creator of the continents.

- k) That He is the Creator of the seas.
- l) That He is the Creator of the lakes.
- m) That He is the Creator of the rivers.
- n) That He is the Creator of the mountains.
- o) That He is the Creator of the plains.
- p) That He is the Creator of the valleys.
- q) That He is the Creator of the forests.
- r) That He is the Creator of the deserts.
- s) That He is the Creator of the swamps.
- t) That He is the Creator of the animals.
- u) That He is the Creator of the birds.
- v) That He is the Creator of the fishes.
- w) That He is the Creator of the plants.

And He remains GOD forever and ever Amen.

You and me, young and mature, educated and non-educated, rich or poor, you and me in Africa, you and me in America, you and me in Latin America, you and me in Europe, you and me in Asia, you and me in Australia, may we live fully aware that GOD IS GOD . That GOD is Almighty, that GOD is The Alpha and Omega:

- 1) We ought to praise Him, you and me, we mankind.
- 2) We ought to glorify Him, you and me, we mankind.
- 3) We ought to bless Him, you and me, we mankind.
- 4) We ought to adore Him, you and me, we mankind.
