Did we not tell you

this in Egypt when we said ‘Leave us alone, let us serve the Egyptians. Far better for us to be the slaves of the Egyptians than to die in the desert.’” But Moses answered to the people, “Fear not. Stand your ground and you will see the victory the Lord will win for you today. These Egyptians whom you see today, you will never see them again. The Lord Himself will fight for you. GOD GOD GOD

Whose name is I AM WHOM I AM

Who is the Alpha and Omega

Who is Yahweh ABBA FATHER

Who is Almighty

Who is Omnipotent

Who is full of Majesty

He, in His divine gloriousness in creation, as you will read in the following chapters, you will glorify Him, for His divinity and powers.

GOD's nature is divine.

GOD's nature is holy.

GOD's nature is incomparable.

Read the following quotations from the Bible and fear Him. And thank Him. And give Him glory. For GOD only said 'Let it be' and it was.

- 1) **Genesis 1:3** “Then GOD said, ‘Let there be light’ and there was light.”
- 2) **Genesis 1:6** “Then GOD said, ‘Let there be a dome in the middle of the waters, to separate one body of the waters from the other.’ And so it happened.”
- 3) **Genesis 1:11** “Then GOD said, ‘Let the Earth bring forth every kind of fruit tree on Earth that bears fruit with its seeds.’ And so it happened.”
- 4) **Genesis 1:14** “Then GOD said, ‘Let there be lights in the dome of the sky to separate day from night, let them mark the fixed times, the days and the years, and serve as luminaries in the sky to shade light upon the Earth.’ And so it happened.”
- 5) **Genesis 1:20** “Then GOD said, “Let the waters teem with an abundance of living creatures and on earth let birds fly beneath the dome of the sky.’ And so it happened.”

- 6) **Genesis 1:24** “Then God said, ‘Let the earth bring forth all kinds of living creatures, cattle, creeping things, and wild animals of all kinds.’ And so it happened.”
- 7) **Genesis 1:31** “GOD looked at everything He had made, and He found it was very good. Evening came, morning followed. The sixth day.”
- 8) **Genesis 2:1-4** “Thus the Heavens and Earth and all their array were completed. Since on the seventh day GOD was finished with the work He had been doing. He rested on the seventh day from all the work He had undertaken. So GOD blessed the seventh day, and made it holy, because on it He rested from all the work He had done in creation. Such is the story of the Heavens and the Earth at their creation.”

People of GOD, beloved ones of GOD, handmade ones of GOD, wherever you are living:

- ~ be it that you are living in the G8 countries,
- ~ be it that you are living in the G20 countries,

- ~ be it that you are the most elite in education,
- ~ be it that you are still in your youth,
- ~ be it that you are elderly, in your last years on Earth,
- ~ be it that in your circles you are not respected,
- ~ be it that you are the most respected in your circles,

**you and me, you and your family,
we ought to believe and trust in GOD,**

How about you, how about me?

- » Why do we fail to teach our children, and our children's children, to believe in GOD?
- » Why do we fail to teach our fellow countrymen to believe in GOD instead of believing in witchdoctors and their master Lucifer and his demons?
- » Why do we not believe in GOD who created us, who blessed us to be created as human beings?

For if you cross-examine yourself and you find yourself having sins, run non-stop, to your Parish, and get the Sacrament of Confession before the Just Anger of GOD for non-repentant sinners gets you!

- » For Isaiah chapter 55 says Seek the Lord when He is still near.
- » And Jeremiah 15:1-4 says, “Even if Moses and Aaron stood before Me, My heart would not turn towards these people. Send them away from Me. ... ”

**May you vigorously wake up spiritually,

Remembering very well that the SON OF GOD JESUS CHRIST our Redeemer, in Luke 13:1-5 He said Repent or perish.

And in Matthew 7:19-21 He said our treasures should be in Heaven.

In Matthew 5:17-20 Teaching about the law.

‘Do not think that I have come to abolish the law or the prophets. I have come not to abolish but to fulfill. Amen, I say to you, until heaven and earth pass away, not the smallest letter or the smallest part of the latter will pass from the law, until all things have taken place. Therefore, whoever breaks one of the least of these commandments and teaches others to do so, will be called the least in the kingdom of heaven. But whoever obeys and teaches these commandments will be called greatest in the kingdom of heaven. I tell you, unless your righteousness super-passes that of the scribes, you will not enter into the kingdom of heaven.’

The choice is yours.

The choice is of your family.

The choice is of your countrymen.

Either for GOD or for Hell.

AMEN AMEN AMEN.

Repent or perish.

Beloved ones of GOD, children of GOD, wherever you are on Earth, wherever your family is,

- ~ tell them to call upon GOD's mercy,
- ~ tell them to search for our Lord and our GOD,
- ~ tell them to call Him ABBA FATHER when He is still near them.

For you and me, you and them, **we do not know when we shall be called to leave this world.** And face the bitter reality,

- » *however much you dodge it,*
- » *however much drugs you take,*
- » *however much money you have,*
- » *however much authority you may be commanding,*
- » *however big or small you may be:*

one day, one day you are to go, I am to go,

- ~ including your family members, one day they have to go,
- ~ including the General of the generals, he will go.
- ~ including your best winger and your best forward, they will go.

- ~ including you best wrestling and boxing hero, they will go.
- ~ including the best President and Prime Minister in the world, they will go.
- ~ including the best singer of your choice, they will pass on.
- ~ the richest businessman of your country will pass on unceremoniously.

That is the rule of GOD.

Fight it, refuse it, it is upon you.

Amen.

People of GOD, beloved children of GOD, young and mature, wherever you are seated in the world:

ask GOD to open your spiritual eyes

to start believing in GOD

wholeheartedly,

~ and never to fight Him,

~ and never to doubt Him,

~ and never to joke with
His Ten Commandments, His divine Decrees
and Statutes,

~ and never to fight His divine words in
the Holy Bible.

Do not make this eternal mistake any more.

Read nicely, and repeatedly, Job chapters 38, 39, 40, 41, and 42. This book of Job will help you so much to **stop any spiritual relaxation and spiritual jokes** against yourself.

Tell your family members, friends and relatives, those far and those near, to read this book of Job.

As well read the book of Genesis all of chapter 1: **you will know and you will respect GOD** for He created you in His majesty.

He is Almighty and unchallengeable.

People of GOD, beloved children of GOD, young and mature, wherever you are seated in the world, ***do not make any single mistake in your life, you and your family, of using human understanding and human science in order to fight the divine mysteries of GOD.***

For GOD is a mystery.

For GOD is omnipotent.

The rules He put, no one will ever change them.

The Commands He laid down, even if you dance on a needle, you will never change them.

Why?

For the one who put them there:

- » *He is the one who loaned you the brains,*
- » *He is the one who loaned you the eyes.*
- » *He is the one who loaned you the hands.*
- » *He is the one who loaned you the ears.*
- » *He is the one who loaned you the senses.*

- » *He is the one who loaned you the hairs on your head.*
- » *He is the one who loaned you the parents who bore you.*
- » *And our parents, He is the one who loaned to them their parents before them.*
- » *He is the one who loaned you the cement, and the sand and the clay which made up your house.*
- » *He is the one who loaned you all the appliances, all the accessories, all the different belongings that you have in your house.*
- » *He is the one who loaned to you the minerals and gadgets which the engineers fabricated and made a car, to move you from place to place.*
- » *He is the one who loaned mankind the minerals which the different craftsmen use to build the different machines.*
- » *He is the one who loaned to mankind the satellite components and the brains of those who built it.*
- » *He is the one who loaned to mankind the gadgets in your mobile phone, and He is the one who loaned you the ears you use to hear the phone calls, and the mouth which talks.*

**Remember, from time to time,
to give glory to GOD
for what you are,
and for what you have.**

- ~ Cement this truth
in your brain
and in your understanding.
- ~ Cement this truth
in your children's understanding.
- ~ Tell them to fear GOD
without hesitation and reasoning.
Only to fear GOD,
and to keep His Ten Commandments.
- ~ Let them not burden their small brains
in going against GOD and His Commandments.
- ~ ***Let them not choke themselves
with human and scientific reasons,
deceiving themselves,
cheating themselves that GOD is not there.
That comes from the devil himself.***

~ Tell them to abide by the Law of GOD 100% in order to be blessed.

You too, you will be blessed.

They will be anointed,
and you too will be anointed.

Beloved one,
fear GOD,
love GOD,
until He will welcome you
in Heaven.

Amen. Amen.

Beloved ones of GOD, people of GOD, my brothers and my sisters worldwide, those in the G8 countries, those in the G20 countries, and those in the developing countries, whichever state of life you could be leading in the world, get to know that GOD is omnipotent, GOD is Alpha and Omega, **GOD is our creator**, do make any single mistake of doubting this.

If you waste time debating on this, Satan will be happy with you, and Satan will confuse you the more, so that you go against GOD the whole of your life.

So that you keep doubting, like Thomas. You can question yourself, whether exactly Thomas knew that all the others were with JESUS, that He was close to the SON OF GOD. If He knew very well, he would not have doubted.

Why? As to why?

JESUS THE SON OF GOD, as well as GOD, everything under the sun and in Heaven, is possible for Him. For He is the SON OF GOD.

All what GOD THE FATHER created, including you and me, we are created as a gift to His SON JESUS CHRIST, the Bible says.

And if you read John 1:1-28, you will understand in this chapter, that before JESUS becoming incarnate He was THE WORD of GOD, meaning He existed before He became JESUS CHRIST.

John 1:1-28

“In the beginning was the word. And the word was with GOD. And the word was GOD. He was in the beginning with GOD. All things came to be through Him. And without Him nothing came to be. What came to be through Him, was life. And He was the light of the human race. The light shines in the darkness, and the darkness has not overcome it. A man named John was sent from GOD. He came for testimony, to testify to the light, so that all might believe through him. He was not the light, but he came to testify to the light. The true light which enlightens everyone, was coming into the world. He was in the world, and the world came to be through Him, but the world did not know Him. he came to what was His own, but his own people did not accept Him. But those who did accept Him, He gave them power to become children of GOD, to those who believed in His name. Who were born not by natural generation, nor by human choice, nor by a man’s decision, but of GOD. And the word became flesh and dwelt among us. As we saw His glory, the glory of Father’s only son, full of grace and truth. John testified to Him, and cried out saying, “This was He of whom I said, ‘The one who is coming after me ranks ahead of me, because He existed before me.’ ” From His fullness we have all

received, grace in place of grace, because while the law was given through Moses, grace and truth came through JESUS CHRIST. No one has ever seen GOD. The only Son of GOD, who is at the Father's side, has revealed Him." continue up to verse 28.

Thomas made a vital mistake. Let his vital mistake help you not to make any of that kind. **That is why it was recorded in the Bible, to help you, to help me, not to use our human understanding, judgment and science to reason and doubt the divine powers and mysteries of GOD.**

JESUS had said He would die, be buried, and rise again after three days. He meant it. Anyone who doubts it, totally offends GOD. For everything is possible to GOD.

**GOD THE FATHER,
GOD THE SON,
GOD THE HOLY SPIRIT,
forever and ever
AMEN.**

We should use all the time we have been given by GOD for not beating around the bush, for not joking with our spiritual journey.

Heaven is real.

Heaven is holy.

Heaven exists.

If one cheats you, if one brings propaganda, that it does not exist, help him by calling the Ambulance so that they take him to mental hospital.

Amen and Amen.

People of GOD, children of GOD, my brothers and my sisters worldwide, **get accustomed to holy meditation.**

Go before The Blessed Sacrament of the Altar
and do meditation.

Be assisted by different Catholic books which talk about meditation and the greatness of GOD. Step by step, by the grace of GOD, you will be uplifted in meditation, and in prayer, and in giving glory and honour to The Most High. See the goodness of meditation on GOD and His greatness.

See how He created the different continents.

Travel and see how they do not look alike. Some are hilly, some are mixed, hills and plains, others have mixed climate (summer, autumn, winter, spring) while others have hot season and cold season only.

The greatness and mystery of GOD in creation.

See how they have different soils of different minerals and fertility, some soil is for wheat, some soil is for rice, some soil is for corn, some soil is for millet, some soil is for cassava, some soil is for pumpkin, some soil is for carrots,

some soil is for grasses, some soil for flowers, and others are completely barren. That is why GOD asked Job, where were you when I founded the Earth?

Continue to meditate and see the mystery and the divine power of GOD in creation,

- a) in His creation of creating man,
- b) endowing man with different languages,
- c) endowing man with different height,
- d) endowing man with different features,
- e) endowing man with different complexions,
- f) endowing man with different understanding,
- g) endowing man with different ways of cooking their different foods,
- h) endowing man different cultures,
- i) endowing man different behaviour,

whereas they are all human beings.

The wonder works of our GOD
The I AM WHOM I AM,

The holy divine works of the Living GOD,
to whom you and me,
we ought to give glory and honour
all the days of our lives,
whom you and me,
we should call
ABBA FATHER
all the days of our lives,

AMEN AMEN and AMEN.

If you do meditation on the powers of GOD, on flowers with their different designs, different colours, different seeds, different smells, different sizes, different shapes, you kneel down and glorify GOD. You even wish to do like **the people of Nineveh, who when they were told by Jonah to repent, they put on sackcloth and sprinkled ashes on themselves and fasted and prayed for forgiveness, from their King to their lowest.**

Beloved ones of GOD, children of The Most High Lord and GOD, you and me who were created by Him,

- » love GOD jealously,
- » have a blessed jealousy of serving your GOD,
- » have a blessed jealousy of calling Him ABBA FATHER.

When one jokes about His name, run away from his sight as one runs from a snake, for whoever jokes with GOD, he is not worthy to be greeted. And when he dies, he is not worthy to be buried by you who fear GOD, fulfilling what JESUS said, Let the dead bury their dead.

Whoever jokes with GOD, whoever dilutes GOD, whoever changes GOD's Decrees and Statutes, is not worthy to be buried by a GOD-fearing person, as Judas Iscariot was not buried by any Apostle. Let the dead bury the dead.

Then upon then,

- ~ jealously love GOD,
- ~ jealously respect GOD,
- ~ jealously teach your children to love Him,
- ~ jealously teach your children to serve the living GOD.

Be like the Jews as they said in Psalm 137.

Jealously do your prayers every day, do your rosary, read the Bible, go to daily Holy Mass if you have a car, or you live or work near the church.

Jealously be a Roman Catholic. Do not be with one leg here in the Holy Roman Catholic Church, and one leg in some small Pentecostal sect, NO.

- » Jealously, talk as a true Catholic.
- » Jealously, think as a true Catholic.
- » Jealously, dress as a true Catholic.
- » Jealously, work as a true Catholic.
- » Jealously, pray as a true Catholic.
- » Jealously, live as a true Catholic.
- » Jealously, have faith as a true Catholic.
- » Jealously, be composed as a true Catholic.
- » Jealously, hope in GOD alone, as a true Catholic.
- » Jealously, trust in GOD alone, as a true Catholic.
- » Jealously, be kind, as a true Catholic.
- » Jealously, behave as a true Catholic.
- » Jealously, bring your children up to be true Catholics.
- » Jealously, choose your associates as a true Catholic.
- » Jealously, get married as a true Catholic.
- » Jealously, die as a true Catholic.
- » Jealously, be buried as a true Catholic.
- » Jealously, reach heaven as a true Catholic.
- » For you have a Holy Church, Catholic.

Read it in Matthew 16:13-20.

If a Catholic will ever go to Hell, Satan will punish him double, for he did not utilize all the graces and blessings there are in the Catholic Church, and he looked for the devil.

He will be punished double.

Beloved ones of GOD, children of GOD, you and me who fear GOD, you and me who love GOD, think of this good meditation: how wonderfully did GOD skillfully create the birds, with different voices, different colours, different nesting, different beaks, different sizes, different foods: what a divine mysterious GOD, what a divine source of designs.

He endowed them in different climates, and made them capable of travelling around the world year after year, enjoying the goodness of their creator, without passports and visas, without cooking pots and shopping malls, without hostels and credit cards: and they eat and glorify GOD day after day.

A rich American may travel around the world once in their lifetime, but the little bird may fly back and forth from one continent to the other throughout its life.

The marvels of our creator.
The magnificence of our creator.
The majesty of our creator.
The omnipotence of our creator.
The awesomeness of our creator.
The glorious GOD.

Beloved ones, people of GOD, wherever you are. Wherever GOD's goodness allows you to live, and in whichever status of life you are living, kindly upon kindly,

do not waste time using science and academics to confront GOD, to question GOD's mysteries, to correct GOD's wisdom, to doubt GOD's Decrees and Statutes.

Then, if you waste all your lifetime on Earth, questioning your human understanding and brains, mingled with education in sciences, wanting to know as to how our Lord and our GOD, The Almighty One, The GOD of Abraham, The GOD of Jacob, The GOD of Elijah, The GOD of Noah, The GOD of Adam and Eve: how He patterned all the different groups of animals in their colours, in their sizes, in their foods, in their behavior, in their sounds, in their habitation: some live in caves, some live in water,

some live in the wild, some live with mankind, others live on trees, etc.

Read Job chapter 40 and 41.

Read Genesis chapter 1 and 2.

You will admire the wonder-works of GOD.

Where will you reach if you meditate on this? You will not even get 1% over a trillion.

- » Fear GOD wherever you are.
- » Love GOD wherever you are living.
- » Admire GOD the whole of your lifetime.
- » And call Him ABBA FATHER.
- » He is Yahweh The Alpha and Omega.
- » He is I AM WHOM I AM.

Then, mankind, you and me, you and your family, you and your fellow countrymen, and the so-called scientists of the world, then **if you vainly waste all of your years on Earth questioning your very self, using human sciences and human understanding as to how our Lord and our GOD, the maker of Heaven and Earth, as to how He shared out knowledge to different land and water animals:**

~ as to enable them to feed themselves,
and what to feed on.

- ~ as to know how to keep their young ones.
- ~ as to know how to hide from the enemy.
- ~ as to know their clan and group mates.
- ~ as to know that they belong to the forest and not to homes.

How wholly majestic in wisdom is our Lord and our GOD in all this?

- » Yearn upon yearning that one day you may go to Heaven.
- » Yearn upon yearning that you may not offend Him in life.
- » Yearn upon yearning that He may welcome you as a prodigal son, from all your sinful life you have lived in this world.
- » Yearn upon yearning that He may give you the seven gifts of GOD THE HOLY SPIRIT.
- » Yearn upon yearning that you may never, at any cost, miss Heaven.

- » Yearn upon yearning that also your family members, your children, your wife, your husband, may never miss Heaven.

Many Psalms will help you to meditate on the glory of GOD and His divine power in creation.

People of GOD, beloved ones of GOD, all of you in the four corners of the world, **humble your very selves**, wherever you are, **before GOD**, all the days GOD will give you to live in this world, **for we are so nothing**, we mankind, before GOD. We are so nonentity before His wisdom. **We are so small beyond smallness before His majestic knowledge.** We are, we are, we are, whatever, you cannot even describe, before our GOD, The I AM WHOM I AM.

Therefore, and then,

- » humiliate yourself before GOD,
- » extremely lower yourself before GOD,
- » **daily seek the guidance of the Holy Spirit to lead you to know that GOD is GOD.**

He is Yahweh

There is no one, and there will never be anyone, like Him.

Whether mankind will stand on the mouth of a needle and dance on it.

May Mother MARY lead all the Cherubim and Seraphim, all the Angels and Saints, in a chorus of Hosannah Hosannah in the Highest.

Then if mankind wastes his granted and permitted years of life here on Earth by questioning himself, wanting to master and understand the animals and their languages, what would be the purpose of his wasted living? Where will this person start and end on each animal? Before he tries to master a certain language of one clan of animal, his years of living on Earth will have finished long ago.

REMARKS

Mankind we are extremely limited.

Limited in all things.

Not for the bad,
but this is how Yahweh GOD liked it,
and programmed us.

As He programmed the beasts
to live in the forests and waters.

As He programmed the birds to be flying,
you and me we cannot fly like the birds.

As He programmed the elephants
to eat grass and branches.

**We should very humbly accept our levels,
before our Lord and our GOD,
who, in His divine wisdom,
created all this uniqueness.**

May we call Him ABBA FATHER.

May we call Him The Most High Lord and GOD.

May we tremble before Him.

May we praise Him all the days He will allow us to live in
this world.

*May you end up becoming a bold lover of GOD,
strong in your love for Him as bronze and diamond.*

Strong in fearing Him, and in serving Him.

Then Heaven will be yours.

You will call upon His name and He will answer you.

He will rain rains of graces upon you.

- » Wake up in the Spirit of the Lord.
- » Let the Spirit of GOD re-graft you.
- » Let the Spirit of GOD re-mould you.
- » Let the Spirit of GOD change you from Saul-ism to Paul-ism.
- » Let the Spirit of GOD do what JESUS did to Lazarus.
- » Let the Spirit of GOD change you as Maria Magdalena, the Spirit of GOD changed her.

Then this world will be so good to live in, and your family will live in GOD's blessings.

Amen and Amen.

Then, *if mankind wastes his so limited years on Earth trying to find out as to how many people have ever lived, and how many people are yet to live*, he will go crazy for nothing.

Then, *if he spends all the days of his life, counting as to how many trillion tons of food has mankind ever eaten, until the end of time*, who could start questioning himself on this? It would have been better that he was not born.

Then *if mankind wastes his limited years on Earth questioning himself or herself, using human sciences*,

wanting to know the starting point of the winds and its patterns, and their purposes, who among mankind will ever know.

May The Most High Lord and GOD the Creator and owner of the Heavens and Earth, be praised in Heaven and on Earth. Amen upon Amen.

Mankind, in his mankindship, **if he wastes his limited few years on Earth questioning and wanting to discover, as to how many years the world has lived, and how many years are left to come to the end of the world,** then let him read Job chapters 38, 39, 40, 41, 42. They will help him. They will calm him. These books, they will take the human pride out of him. Whether he is a so-called scientist or not.

Then, **if simple mankind spends his limited few years on Earth, wanting to know how many trillions of tons is the sun, the moon, Jupiter, Mars, Saturn, Pluto, Neptune, Earth, etc,** how unlucky must be his mother who bore him, for having bore him. As to spend his little time being agitated against himself.

It is only our Lord and our GOD, GOD of Heaven and Earth, the sole creator and owner of these unique marvels He created without being asked by you and me,

without being directed or helped in any way, who knows everything.

Question yourself, did your father or grandfather help Him with one wheelbarrow of soil or stones or sand the day He was creating the world? Your father, your grandfather, was he existing before the creation day? Then, upon then, may GOD be blessed in Heaven and on Earth.

You and me, you and your family, we should stop immediately, all jokes on GOD, and joking with GOD's Ten Commandments, Decrees and Statutes.

Our human jokes with GOD are directed and organized by the devils which enter us.

Stop forthwith, sinning and joking with GOD. He is Yahweh ABBA FATHER, worthy of praises and venerations of mankind.

Amen. Amen.

Then upon then, people of GOD, beloved ones of GOD:

fear GOD and glorify GOD for all of His wonders beyond human understanding whatsoever, in the mysteries of all what He created, and their purposes in the organization of the Earth,

helping mankind in the meditation of fearing GOD, helping mankind in our living, and helping the continuity of GOD's power of creation, for example:

- ~ the rains,
- ~ the oils in the ground,
- ~ the gases in the ground,
- ~ the sand,
- ~ the soil,
- ~ the vegetation,
- ~ the different minerals in the soil and in the sea,
- ~ the clouds,
- ~ the stars,
- ~ the different forces in the wind,
- ~ the different types of food,
- ~ the trillion tons of waters in the oceans,
- ~ the different vegetations of each country.

All of these, those we know, and those we shall never know, confirm to us mankind, how unique, how holy, how divine, how majestic, how venerable, how wholesome, is our Lord and our GOD.

Give yourself a lifetime gift of believing in GOD all the days of your life.

Whether what or what, believe in our Lord and our GOD: our Creator.

Obey Him, fear Him, serve Him, adore Him, praise Him, and **one day, in His goodness, He will reward you with Heaven**, where you will live with Him forever and ever AMEN.
