# GOD GOD GOD

GOD, because He is GOD, and because He created us, and because He does not want us to go to Hell, in the holy Bible, in different books of the Old testament and the New Testament, He did put His warning to our ancestors, to us, and to those yet to come. **These divine teachings are His, for your salvation.** Dare to ignore them, you will FREE WILL yourself to Hell.

These are a few of the very many quotations of GOD's warnings to you, to your family, to your clan, to your fellow countrymen. Dare to ignore them in their fullness, Satan will laugh at you.

#### REMARKS

There are many more passages in the holy Bible. I kindly beg you to read the entire Bible, starting from Genesis up to Revelation. Do not excuse yourself that you do not have time, while you can get time to read the full series of novels.

Among the strong warnings of GOD, there is a series of warnings from the Son of GOD, JESUS CHRIST who is our Lord and our Saviour. Read and re-read Luke 13:1-6, and I beg to quote it:

**“A call for repentance.** At that time some people who were present there told Him about the Galileans whose blood Pilate had mingled with the blood of their sacrifices. He said to them in reply. ‘Do you think that because these Galileans suffered in this way they were greater sinners than all the Galileans? By no means. But I tell you, if you do not repent, you will perish as they did. Or those eighteen people who were killed when the tower at Siloam

fell on them, do you think they were more guilty than everyone who lived in Jerusalem? By no means. But I tell you, of you do not repent you will all perish as they did.' ”

Beloved one of GOD, if you were born, and you are living in this world, if you were baptized, if GOD blessed you with knowledge and understanding, and then **you fight** what JESUS is telling you, and then **you question and doubt** what JESUS is telling you, and then **you ignore** what the Son of GOD is telling you, **you will go to Hell very quickly.** Amen and Amen.
