

DREAMS

What are dreams, and what is the background of dreams

The book of Sirach chapter 34 verse 1 to verse 26 completely, strongly, refuses us, all mankind, to trust in dreams.

VOLUME 1

People of GOD , Beloved ones of GOD , my brothers and my sisters in our Lord JESUS CHRIST, wherever you are in the four corners of the world, I beg to wish you the blessings of The Most High, I beg to wish you the protection of The Living GOD , and may The Most High Lord and GOD one day, you and your family, welcome you in His holy Heavens. Amen.

Servants of GOD, children of GOD, in whatever continent you are in, and whatever life you are leading, you and me, worldwide, we are children of The Most High Lord and GOD.

- » All of those who came before us, they were children of GOD , and
- » All of us who are present today, we are children of GOD , and
- » All those who will come after us, they are children of GOD .
- » Therefore, and therefore, those of the past and those of the present, and those of the future, mightily we ought to thank Him for having created all of us.

May all of those who are in Heaven, and all of us who are in this world, give Him endless praises and thanks, hour by hour, day after day, year after year, until He welcomes us in Heaven.

You and me, may we deepen ourselves in endless thanksgiving, for His gift of life, His gift of understanding, and the biggest gift of knowing Him and loving Him.

GOD GOD GOD

GOD , our GOD and our Lord, in His holy divine arrangements, He blessed us with what to use, what to look at, and what to eat, day after day, until the end of the world.

- » May His holy name be blessed in Heaven and on Earth.
- » May His holy name be praised in Heaven and on Earth.
- » May His holy name be glorified in Heaven and on Earth.
- » May His holy name be celebrated in Heaven and on Earth.

May our holy Mother, the Mother of GOD , in wholesome, lead all the Heavenly beings, in holy thanksgiving to The Most High, Lord and GOD , day after day, until the end of the world.

Beloved one, people of GOD , you and me worldwide, let us share:

What are dreams, and what is the background of dreams

Which are troubling the children of GOD worldwide, the old one, the aged one, those in middle-age, the youth, the young ones, in the seven continents under the sun. Whether they are educated, or non-educated, whether civilized or non-civilized, whether poor or rich, they are all troubled in the same way.

The devil which we call Satan, worldwide, is using so much beyond human understanding, the dreams of different levels, to tell lies to the children of GOD . The demons, which is Satan, they are using these dreams to torture, to threaten, to overwhelm people with fears, to bring confusion to the people of GOD , to cause doubts in the children of GOD , and to bring conflicts between families, neighbours, clans, countries.

REMARKS

Dreams, Satan polishes them, and uses them skillfully, as to force mankind to think that what he/she dreamt about is a reality. This is happening all over the world, regardless of the social status of the person. People of GOD are bounced like balloons and tortured, left and right, with demons, through these dreams.

At the same time, Satan uses human people as his agents, hundred percent, to start prophesying, and telling wrongs, hundred percent, of the meaning of the dreams that people have dreamt. This is the double-sword of the devil, he the devil, masterminds the dream, and he the devil, brings in the human being to double confuse the one who dreamt, to double harm the one afflicted with dreams, to double confuse the one who is suffering with this madness of dreams, to double bring conflicts between families, societies, clans and nations.

The prophets of doom who are the dream-tellers and so-called prophets hiding in the name of GOD , hiding in the name of the Bible, calling themselves pastors, are scattered in millions all over the world, in different

continents - they are uncountable. Stealing people's money in the name of their prophecy, creating divisions, and injecting wounds in people's minds using false prophecy. Be aware of this, and stand warned.

Dreams: which the devil, which is Satan, uses in its agents of prophesying, in the so-called Pentecostal pastors, in the so-called Pentecostal prophets, worldwide - a team of deceivers, ganging up to deceive the world, calling themselves pastors and prophets.

Dreams are poisonous arrows, which Satan uses to shoot the minds of the children of GOD . The children of GOD are trapped in not knowing what to do, and how to overcome this.

- 1) Some have left their home villages and towns, in the name of dreams.
- 2) Some have fled their own countries, because of the dream tellers, who tell them according to this dream you dreamt, or this dream they dreamt about them,

they should run away for their safety. How many are entangled in this sort of life!

- 3) For the young girls, the so called prophets tell them they dreamt (or GOD told them) that they (the girls)
- ~ will never get married,
 - ~ they will never get jobs,
 - ~ they never get children,
 - ~ and so many, so so many “they will never” ...

Using two main ways which are coming from the devil himself, to extremely distabalize and disorient and disorganize and inflict fear in the children of GOD .
What sadness is this!

In Africa, this malice, of the so-called prophets and dream-teller pastors: they are in every village and town, in their hundreds. In the medical term, it is better to call them Ebola. Confusing the children of GOD , confusing the innocent of GOD’s children, bringing untold suffering by demonically prophesying to the children of GOD as well as demonically interpreting the demonic dreams. They are proper workers of the devil.

REMARKS

Extremely, upon extremely, be far from them. Even if they come to your home, chase them as you chase a snake. Because indeed they are snakes in the form of a human being.
