

DREAMS

What are dreams, and what is the background of dreams

The book of Sirach chapter 34 verse 1 to verse 26 completely, strongly, refuses us, all mankind, to trust in dreams.

VOLUME 2

The devils whom we call Satan, they were once Angels in Heaven. Through pride, they rebelled against GOD , and they were chased out of Heaven.

They have more understanding than a human being, so they are master-minders and producers of 99% of all dreams, using them cunningly, demonically, skillfully, to destabilize the children created by GOD .

1. They use the dreams as a torture chamber.
2. They use the dreams as a weapon.
3. They use the dreams as swords.

4. They use the dreams as poison, to poison the people of GOD .

Be alert, and beware of this. These bad angels which were chased out of Heaven, they wanted to compare themselves to GOD , whereas the good Angels led by Archangel Michael, who led the good holy Angels of GOD in the winning battle, said “Who is like GOD ?” Who can compare with GOD . From that time on, they were chased out of Heaven and they became demons. Hell is their permanent home, but due to the fires of Hell, they do not want to live in Hell, they want to live in people.

- ~ They are like a small insect called a jigger, which feels comfortable to live in the toes of a human being all their lives.
- ~ They are like the tick, which feels comfortable sucking the blood of animals.
- ~ They are like lice, which love the blood of human beings.
- ~ They are like mosquitoes, which feel good only after biting the human being.

1. The demons are so dangerous.

2. The demons are horrible.
3. The demons are so cunning.
4. The demons are so agitated.
5. The demons are so poisonous, in order to poison you and me and our families.
6. They move about with their jaws wide open, ready to bite.
7. The demons do not rest.
8. The demons have no holiday.
9. The demons fear nothing.
10. The demons target every human being, from babies to the very old grandmother or grandfather.
11. They are a menace to human beings. Stand warned, and take care.
 - ~ They wound man's sub-conscience using dreams.
 - ~ They wrong mankind's stability using dreams.
 - ~ They poison man's understanding using dreams.

Satan, who is the devil, uses dreams :

a) To spark conflicts between families.

- b) To spark conflicts between neighbours..
- c) To spark conflicts between students.
- d) To spark conflicts between workmates.
- e) To spark conflicts between wives and husbands.

- » *Skillfully, the demons bring confusion between these people, and*
- » *Skillfully, the demons divide the people who were at peace, and*
- » *Skillfully, the devil uses the so-called Pentecostal pastors - prophets of doom - to bring more agitation to the children of GOD , to bring permanent harm to the society:*

» *all of these are circuits of the evil.*

Worldwide, to all of those explaining other people's dreams, maybe only 1 in 1000 is a genuine interpretation. Except and except those who are like

Joseph, who have a very special mission in the salvation of mankind, whom GOD chose to use dreams to communicate with them. Not these rubbish street boys who are looking for money for their next meal, plus a few dollars to buy their wives dresses and sandals.

REMARKS

People of GOD , children of GOD , do not be fooled, at any cost, with these prophets of doom, who are in their millions, scattered worldwide. To confirm to you this, and to be aware of them, these two chapters are going to help you a lot. 2Peter 2:1-22 titled **False teachers** and also 2John 1:7-12 titled **Many deceivers have gone into the world**. If by that time, 2000 years ago, they were many, today they are in their millions. They are wolves putting on sheepskin – they are hyenas, wanting to hyena your soul. They are scattered in America, they are scattered in South America, they are scattered in Europe, they are scattered in Asia, they are scattered in Australia. In Africa it is an epidemic, confusing and tearing the hearts of the children of GOD in the name of dream-

tellers, in the name of visionaries, in the name of prophesy. You and me, stand warned, and stand warned double:

- » Do not fall in the trap – in the name of wanting to know about the dreams you dreamt, in the name of wanting to be explained the details of your fearful dream, in the name of wanting to be explained whether that dream was of peace or of danger.
- » Do not let yourself land into problems with yourself and with GOD .
- » Do not contribute to the devil's cunning of wanting to drag you into conflicts,

Remember, and remember, and force yourself to remember, that in 1000 dream interpretations and interpreters, only 1 is genuine. The rest are daydreamers explaining what they cannot understand, putting people into untold confusion. Keep away from these people. Keep away from these confused ones. If you do not, they will confuse you. They are gamblers, and they will

gamble on your head, leaving you in wounds of confusion, and leaving you in wounds of fear.

The Bible says this in 2John 1:7-12

“Many deceivers have gone out into the world, those who do not acknowledge JESUS CHRIST as coming in the flesh. Such is the deceitful one and antichrist. Look to yourselves that you do not lose what we worked for, but may receive a full recompense. Anyone who is so progressive as not to remain in the teachings of the Christ, does not have GOD. Whoever remains in the teachings has the Father and the Son. If anyone comes to you and does not bring this doctrine, do not receive him in your house, or even greet him, for whoever greets him, shares in his evil works.”

Beloved one of GOD, reread the above chapter and find out who are these in your life and in your society. Never, and never, do a mistake of putting your soul on the scale

of these so-called prophets. Never, and never, try to be one of those to wrestle with the devil. The Bible forbids this. Satan professionalizes his agents. Run away from them, because you will not manage them. They are so skilled demonically, and they are professional liars and dream-tellers. If you had links with them, or if you are associating with them, or your family members were associating with them, automatically cut yourself off without regret. Hold your ground, hold to JESUS alone, not to false tellers. If you do not make a U-turn, these dream-tellers will profit from your ignorance, and you will go with them to hell. Their jaws are demonically sharpened, wanting to cut into pieces your faith in GOD , using the sword of prophesy and prophesying about dreams.

They are confusion experts, within a few words of their double-edged sword of tongue, they bounce you to their confusion, they shout the name of GOD in vain, they mingle the name of GOD in their confusion and ruthlessness. Stand warned, and be far from them. Be far from any environment which can entangle you with them. They walk around different hospitals in the world,

telling the sick that they want to pray for them to get healed, whereas the actual truth is they want to recruit and hook these sick people into their sect. That is why JESUS said in Matthew 7:15 He says “Be aware of false prophets who come to you in sheep’s clothing, but underneath are ravenous wolves. By their fruits you will know them.” etc., and also JESUS said at the end of the world many will come to Him and tell Him that in your name (JESUS) we cast out demons, but JESUS will tell them “Go away I do not know you”. You and me who have eyes to see, you and me who have ears to hear, if we make ourselves not to see and not to hear, we shall find ourselves seated face to face in the corners of Hell with them! Stand warned. If you simply tread in the wrong place in this spiritual journey, you will see!

2Peter 2:1-22 deeply upon deeply explains this. Get hold of your Bible and reread this chapter. It will help you and it will help your family, and it will help your society. We are children of the light; we should not allow ourselves to be fooled with the so-called trumpeted prophets and so-called pastors. GOD gave us the gifts of wisdom and

understanding. Use that gift of understanding to help you be far from these hyenas, they will hyena you – stand warned. A few of them, they will even dare to use the name of the Mother of GOD , saying Mother MARY has told me that this and this will happen to you. Don't allow them to confuse you.

I beg to cite one or two incidents among these prophets of doom and dream-tellers:

In Africa, in a country called Kenya, one among those whom we have been talking about said that he dreamt, and in that dream he was going to be buried and get resurrected in 3 days. His followers accepted his nonsense coming from the devil, as well as his family. Everyone was enticed in this demonic suicide, himself and his family and followers assisted him in making his own grave. They sang songs of success, together with him, as they were burying him standing up, in his grave. After 3 days, his followers gathered at the graveside, chanting and beating drums, waiting for the miracle of miracles to happen, which never ever happened. Creaming up the drama, the police had to arrest a few of

those who buried him alive (those who did not run away fast enough), for murder.

In another incident, in one family in Rwanda in Africa, a so-called prophet pastor separated a husband from his wife, after conning them of thousands of dollars, in the name of telling the husband that the evil spirit which was troubling his wife does not want to see the wife in Rwanda. Let her go to Canada, because Canada is far and the evil spirit will not reach there. So the wife went to Canada, but the husband could not get a visa to go to the family. And the evil spirit troubles the wife ten times more than before. What a disaster.

And there are thousands of incidents of this kind. People are told what you cannot even understand. So wicked are these prophets, and so wicked are their masters – the devils. You and me, may we remain very humble and very cool. Just be prayerful, in our holy Roman Catholic Church. Do not look for this or the other, do not be decomposed, just be composed. Do not be staggering, just

stand still. Do not look for the devil in his hunting ground, instead be firm, remain a Catholic 100%.

Our holy JESUS The SON OF GOD, the Redeemer of mankind, the Saviour of you and me, who did say point blank, let the dead bury their dead: it's a warning to you and to me, that let those daydreamers, the prophets and dream-tellers, let them bury themselves in their lies, in their confusion, in their being agitated. You, a daughter, and you, a son, of GOD , don't give them your eyes and your ears. They are parasites. They will parasite on you. They will bombard you with so many words of confusions, baseless, rounding you up to go with them to in the hottest part of Hell.
