

# DREAMS

---

*What are dreams, and what is the background of dreams*

The book of Sirach chapter 34 verse 1 to verse 26 completely, strongly, refuses us, all mankind, to trust in dreams.

## VOLUME 3

### **What the Holy Bible says about dreams**

I beg to quote to you all, my brothers and my sisters, the Bible quotations in the book of Sirach chapter 34 verse 1 to verse 26, which says :

**“Trust in the Lord and not in dreams.**

Empty and false are the hopes of the senseless, and fools are they borne aloft by dreams.

Like a man who catches at shadows or chases the wind, is the one who believes in dreams.

What is seen in dreams is to reality what the reflections of the face is to the face itself.

Can the unclean produce the clean?

Can the liar ever speak the truth?  
Divination, omens, and dreams are unreal,  
What you already expect, the mind depicts.  
Unless it be a vision specially sent by the Most  
High,  
Fix not your heart on it.  
For dreams have led many astray,  
And those who believed in them have  
perished.”

## REMARKS

Joke with dreams, joke with dream-tellers, joke with so-called prophets, Sirach is telling you: you will perish at your own cost. Be contented, be firm, be yourself. Do not look for this or that. The evil people will swallow you alive. The dream-teller will swallow you alive, you and your family – you will be their drum, they will be beating you, and telling you to dance for them. Stand warned, and be awake spiritually, physically and mentally.

- a. Anyone to doubt the book of Sirach,
- b. Anyone to fight the book of Sirach,
- c. Anyone to neglect the book of Sirach,
- d. Anyone to dismiss the book of Sirach,
- e. Anyone to step on the book of Sirach,
- f. Anyone to misuse the book of Sirach,
- g. Anyone to misguide others not to use the book of Sirach,
- h. Anyone to use the book of Sirach to make money for his small stomach,  
One day will find himself in Hell, face to face with Satan.

Share this with many of your family members. The Bible has warned you, the Bible has warned me, the Bible has warned mankind.

In the simple human way, I beg to elaborate a little further on these dreams. As well they are like the cartoons of different channels of television which are meant for the young ones of between 2 years and 20

years. The parents buy the television for the home, but the young ones select good films which suit them. Worldwide, the children choose the cartoons, which suit their understanding.

*These cartoons are prepared and manufactured by mature and skilled men and women, to damage the children's understanding, while they are still young.*

They prepare different cartoons which children believe in, because they are young. For example a hen driving a train, for example a rabbit teaching French, for example an elephant sitting at the table and eating with a spoon, for example an elephant flying, which are 100% lies. And to make it worse, these cartoon producers are deliberately and skillfully exposing and promoting Satanism, voodooism, witchcraft and magic, violence and rebellion, etc to the young ones.

*The children's sub-consciousness and brains get to be damaged: because they are young, and because they are innocent, they believe.*

When they are children from Africa, they believe that there are hens which speak English in Europe. Christian children believe that practicing sorcery is an essential part of life. Those producing these cartoons, one day they will meet the judgment of GOD. Let them stand warned. And to the parents stand warned. If you neglect to get the rightful spiritual films for the spiritual growth of your children, and you are the one who gave birth to them, and you are the one who bought the television set, if you don't wake up, you will answer before The Almighty for the loss of your children. The way how these children are deceived in the cartoon by mature professional cartoon makers, and assisted with reckless and unconcerned parents worldwide, is the way the evil spirit prepares cartoons of dreams for mankind. Young, teenage, middle-age, mature and elderly, rich or poor, they all suffer with these cartoons of the devils, in form of dreams.

**Be warned, be alert: the nature of dreams which are troubling you are prepared by the demons, and therefore do not leave them to**

**destabilize you in the very way how the cartoon producers are destabilizing the children of GOD , bombarding the children of GOD with lies of 100%.**

They will be answerable before GOD , for the loss of sub-conscience of these children. Indeed, our children do not have time for prayers. Our children do not have time for the rosary, our children do not have time for different prayers, novenas, Bible reading, etc but they have all the time for cartoons and all sorts of episodes on television. As if it is not sad enough, the parents, the mature people, they are equally the same, misguiding their own children as if it's the cartoons and televisions which gave them these children. Shame upon the parents of today. What an unfortunate generation we are in. How much pain are we giving JESUS who liberated us. It is more than absurd, but it is the reality.

You and me, may we go on our knees to cry to the Lord for the so many souls which are heading to Hell, day after day, because of our recklessness of spirituality. You and me, may we pray, may we do reparations, may we do

fastings upon fastings, may we go before The Blessed Sacrament many times in our lives, doing reparation for the Mercy of GOD to come down upon mankind, for the sake of the sins of mankind, for the sake of losing direction. Amen and Amen.

Remember, and remember, what the book of Sirach talks about dreams, for example:

- 1) The dreams you dream of drowning in the lake.
- 2) The dreams you dream of drowning in the river.
- 3) The dreams you dream of being chased by a lion.
- 4) The dreams you dream of being chased by a leopard.
- 5) The dreams you dream of being chased by a madman.
- 6) The dreams you dream of being strangled.
- 7) The dreams you dream of being burgled.
- 8) The dreams you dream of being visited by a dead person.
- 9) The dreams you dream of being visited by a snake.
- 10) The dreams you dream of fighting with human beings.

- 11) The dreams you dream of eating meat of dead bodies.
- 12) The dreams you dream of eating meat of dead animals.
- 13) The dreams you dream of being in a car accident.
- 14) The dreams you dream of yourself changing into an animal.
- 15) The dreams you dream of yourself dying.
- 16) The dreams you dream of yourself in the world of the dead.
- 17) The dreams you dream of yourself flying in the sky.
- 18) The dreams you dream of yourself falling down a cliff.
- 19) The dreams you dream of unknown people in your room.
- 20) The dreams you dream of being chained.
- 21) The dreams you dream of being chased and cut into pieces.
- 22) The dreams you dream of being chased by elephants.
- 23) The dreams you dream of being chased by barking dogs.

And all the so many other dreams. They are so many, and of different versions: unexplainable.

To all of these, remember the only answer to them is this one in the book of Sirach chapter 34 verse 1 to verse 26, which says :

**“Trust in the Lord and not in dreams.**

Empty and false are the hopes of the senseless, and fools are they borne aloft by dreams.

Like a man who catches at shadows or chases the wind, is the one who believes in dreams.

What is seen in dreams is to reality what the reflections of the face is to the face itself.

Can the unclean produce the clean?

Can the liar ever speak the truth?

Divination, omens, and dreams are unreal,

What you already expect, the mind depicts.

Unless it be a vision specially sent by the Most High,

Fix not your heart on it.

For dreams have led many astray,

And those who believed in them have perished.”

The only answer, put it in your good understanding, use it to advise others, who are being tortured without an answer, and true direction which comes from the Bible, and so many who are deceived by the dream-tellers.

***Use this book of Sirach and advise as many as possible to read it.***

They are your brothers, they are your sisters. You will be blessed by GOD if you will help them out of these problems of the dreams, which are instruments of the devil. Blessing upon blessing to all of those who will help others. Blessing upon blessing to their families.

***You and me, wherever you are, wherever I am, may we be tools of GOD , to help many others to come out and to be freed from these tricks of the evil spirits.***

- » May the good Lord help you through, and see you through.
- » May the good Lord anoint you day after day.
- » May His powers guard you and protect you along this spiritual journey we are in, heading to Heaven.
- » From His holy Heavens, may The Most Holy Lord and GOD, The I AM WHOM I AM, excessively overwhelm you with all His blessings, with all His anointings.
- » May the blessings of JESUS protect all of you servants of GOD in the four corners of the world, and may the anointings of GOD THE HOLY SPIRIT , with His seven gifts, fall upon you and cover you.
- » May the holy intercessions of the most Holy MARY Mother of GOD, be a shield for you, for your family, until The Most High will welcome you in Heaven.

Amen and Amen.

May The GOD of Heaven reign upon  
mankind forever and ever.
