you will find, if you read carefully among the books mentioned above, that the centre of our union with GOD is faith. Without faith in GOD you cannot please Him. Without faith in GOD , He cannot hear you. Without faith in GOD you are as dry as a dry tree – dry of His blessing, dry of His anointing, dry of Him calling you His creature; you end up living by accident in this

world. Kindly, and kindly, take a double extra concern, a double nursing of your faith in GOD , a double searching for faith in GOD , in order to be in union with GOD . Double your meditation on GOD , double your meditation on His greatness, double your meditation on what He told Moses Exodus chapter 3 verse 13 to 15, He told Moses, and He is telling you and me until the end of time.

(I AM WHOM I AM) If you analyse this deeply it means thousands of explanations.

A few of them:

(a) I AM WHOM I AM, means do not doubt Me.

(b) I AM WHOM I AM means do not joke with Me.

(c) I AM WHOM I AM, means I am your Creator;

- » you, you do not know which material I used to create you;
- » you, you do not know where I got your blood from;
- » you, you do not know where I got your bones from;
- » and you, you do not know and you do not know, and indeed we shall never know.

Ask yourself, what do you know about the mysteries of GOD . Do you know His size? Do you know His colour? He who created all the colours we see – of people, of flowers, of trees. Mankind what do we know about the above few questions.

(d) I AM WHOM I AM, means the divine beginning and end.

(e) I AM WHOM I AM means do not bring your familiarization.

(f) I AM WHOM I AM means you will never expound Me, you will never interrogate Me, you will never ask me questions.

To help you know this much more, kindly read the books of Job.

Job 38, the entire chapter,

Job 39 the entire chapter,

Job 40 the entire chapter,

Job 41 the entire chapter,

Job 42 verse 1 to 6.

I beg to quote just a glimpse of Job 38 verse 1 onwards. “Then the Lord addressed Job out of the storm and said, ‘Who is this that obscures with words of ignorance, Gird up your loins now, like a man, I will question you and you tell me the answers. Where were you when I founded the earth? Tell Me if you have understanding. Who determined its size, do you know?’

Who stretched the measuring line for it? Into what were its pedestals sunk and who laid the cornerstone, while the morning stars sang in chorus, and all the sons of GOD shouted for joy. "'...downwards.

Question to you and me mankind, in your different capacities, rich and poor, educated and non-educated, world leaders and non-leaders, generals and privates, were you there? Was your grandfather there? Did your Dad or Mum help GOD with one wheelbarrow of soil or sand when He was creating the world? Among mankind of the past, and of the present and of the future, who helped GOD to create the trillions of litres of water which fills the seas of the world? Among mankind, who can estimate how many trillions of litres of water are there in the seas? In the lakes? In the rivers? And under the earth?

Oh poor we mankind,

- ~ may GOD forgive us for our pride,
- ~ may GOD forgive us for our not knowing Him,
- ~ may GOD forgive us for our underestimating Him,
- ~ may GOD forgive us and forgive us and forgive us endlessly.

(g) I AM WHOM I AM, means divinely I am not your size, I am not your height, I am not your body weight as well, for I AM WHOM I AM.

(h) I AM WHOM I AM means I do not have a beginning nor an end, for I AM WHOM I AM.

(i) I AM WHOM I AM, means I am divine, you cannot expound on Me for I AM WHOM I AM.

(j) I AM WHOM I AM, means all what you see belongs to Me, and was created by Me. I remain glorious for I AM WHOM I AM.

REMARKS

Brothers and sisters worldwide, it is beyond sadness, for if a small human being does not have faith in GOD , does not follow His commandments and guidelines, it is a sadness of the sadness.

(k) I AM WHOM I AM, means all powers on Earth and in Heaven are mine, for I AM WHOM I AM.

(l) I AM WHOM I AM, means have faith in Me, for I AM WHOM I AM, who gave you eyes, who gave you hands, who gave you fingers, who gave you the chest you have, who inserted the limbs in your chest, who gave you the legs you are walking with, who put your head on the neck you are having. Question yourselves, mankind, did your mother and father buy you from the supermarket? What price did they pay to buy you, if any?

Then fear The I AM WHOM I AM.

Then love The I AM WHOM I AM.

Then obey The I AM WHOM I AM.

Then have faith in The I AM WHOM I AM.

(m) I AM WHOM I AM, means I am the source of life, for I AM WHOM I AM. If you did not come from Him, where did you come from then? Where did you buy the tongue of yours which talks? Where did you buy the sun, mankind, or the moon?

(n) I AM WHOM I AM means the sun is mine, the moon is mine, the stars are mine, the jupitors are mine, I placed them in space, for I AM WHOM I AM. Question to you and me mankind, who knows the size of the sun? Who knows the minerals He used to create it? Who knows why the stars glitter? Then fear GOD; then love GOD; then have faith in GOD.

(p) I AM WHOM I AM tells us mankind do not question Me as to how many fishes have ever lived, how many birds have ever lived, how many wild beasts have ever lived, how many rounds of rain have ever poured since creation, and where they are coming from, for the maker of all, for the source of all this, for the source of all this, seated on His throne in Heaven, His name is I AM WHOM I AM.

(q) I AM WHOM I AM means I am the one who created Adam and Eve, I am the one who created Abraham, I am the one who

created Isaac, Jacob, I am the one who created Elijah and Elisha, I am the one who created the prophets, Moses and Aaron, for I AM WHOM I AM.

(r) I AM WHOM I AM means I am the one who gave you the brains and intellect you are using, for I AM WHOM I AM . Question yourself, you and me, do you know from where He got your brains? Do you know from where He got your cells? Do you know from where He got your tissues? Do you know from where He got your eyes? Do you know from where He got your hairs? And do you know, and do you know, and do you know. Or will you ever know. The I AM WHOM I AM , all of the above, and many, many others, are the works of His hands.

(s) I AM WHOM I AM means do not ask Me as to where I get the grains from, do not ask me what I mixed to get for you grain A, grain B, do not ask me where the North Pole snow comes from. Do not ask me where the patterns of wind starts from, Do not ask me mankind, where I store the earthquake, do not ask Me where thunder and lightning, do not ask me where I store the hurricanes and tornadoes, do not ask me where I keep the darkness of night during daytime, and so many do not ask Me upon do not ask Me; for I AM WHOM I AM .

(t) I AM WHOM I AM means do not ask me as to how I mixed different tastes in different fruits of the world. For I separated

papaya taste from the one of tomato, and from the one of mango. Each one with its own taste, for I AM WHOM I AM.

(u) I AM WHOM I AM means do not ask Me as to why I created different sizes and sweetness of fishes. Some are big, some are long, some are bony, some are boneless, others live in the sea, others live in the lakes, some weigh one gramme others ten kilogrammes and others weigh several tons, why? I AM WHOM I AM.

REMARKS

You and me, mankind, may we humble our very selves every day, clothed in the fear of the Lord, the total respect of the Lord, the, the, the upon the; for He our Maker and our Lord is I AM WHOM I AM.

(v) I AM WHOM I AM, means mankind should not ask Me as to what I mixed to get air, for I AM WHOM I AM.

REMARKS

You and me, may we question ourselves, what is the biological material GOD used to create air? You feel it moving, you hear

the sounds, but you cannot stop its course, for it is commanded by The I AM WHOM I AM . Who knows the different layers of air from earth to the sun? Who can explain them out? Fear the Lord, mankind. Obey His commandments, mankind. Keep all His statutes with fear of your bone marrow, for The I AM WHOM I AM is the Creator of all those, and of yourselves.

(w) I AM WHOM I AM, means no man can challenge Me, no man can question Me with his small brains I gave to him, no man can affect My divine existence, no man can guide Me or direct Me whatsoever, for I AM WHOM I AM.

(x) I AM WHOM I AM, means I am the giver of life, I am the source of life, and I am the end of earthly life. For I AM WHOM I AM .

REMARKS

Has Napoleon ever come back? Will Hitler come back? Will King Henry VIII ever comeback? Will the great emperors of Rome, Julius Caesar, Ceaser Augustus etc, will they ever come back? Did they disobey the decree of The I AM WHOM I AM of death? Did their strong army fight off death so that they do not die? Did the medical drugs in their volumes ever stop their death?

(y) I AM WHOM I AM, means so many questions of GOD to us mankind, for example, where is the deepest point of the sea in the world? Where is the store room of the earthquake, and how many tons of stones, of soil, of sand, there are in the world. How many volumes of cubic metres of wood there are in the world? How many tons of gold and diamonds and copper ore are hidden in the earth's grounds? How many, how many how many? These will remain living mysteries until the end of time. Beloved ones of GOD , people of GOD , my brothers and my sisters, have faith in The I AM WHOM I AM . Not even a single day in your life, not even a single hour, not even a single minute, should you ever doubt GOD , should you ever question GOD , should you ever minimize GOD , for His holy and divine name, for His divine being in Heaven and on Earth was, is and will be until all eternity I AM WHOM I AM .

May the Cherubim, Seraphim and all the angels and all the saints in Heaven be led by Mother Mary, the Star of the Sea, the Gate of Heaven, The Queen of Heaven, and MOTHER of our Saviour JESUS CHRIST, Mother of GOD, as to give glory and honour to our Lord and our GOD, the Alpha and Omega, and the I AM WHOM I AM; forever and ever. Amen.

(z) May mankind glorify The I AM WHOM I AM ,

» May mankind sound trumpets and guitars for
The I AM WHOM I AM;

- » May mankind give glory upon glories to
The I AM WHOM I AM.
- » May mankind shout for joy for
The I AM WHOM I AM,
- » May mankind dance with melody for
The I AM WHOM I AM,
- » May mankind praise
The I AM WHOM I AM with Psalms;
- » May mankind trumpet their joys of
their souls and their minds,
- » May mankind clap for joy for
The I AM WHOM I AM;
- » May mankind give glory and honour to His only begotten
SON, JESUS CHRIST, our Lord and our Saviour.
- » May mankind tremble and bow down in following all the
statutes of GOD which were divinely cemented by His holy
Son JESUS CHRIST in our hearts. In Luke chapter 13 verse 1
to 6 His only begotten Son JESUS CHRIST said, change or
perish. Refusing to change, you will perish:
 1. May we change by having faith in GOD.
 2. May we change from our bad ways to good ways of
GOD.
 3. May we change from our doubting Thomasism.
 4. May we change from our doubting the holy Roman
Catholic and Apostolic Church.

5. May we change from our not being prayerful, to being more prayerful than ever before.
6. May we change from joking with the ten commandments of GOD.
7. May we change from not going to Church in the names of our being busy, in the names of our not having time for GOD, in the names of watching on television our football clubs, in the names of our giving liberty to our children, for not knowing GOD, for their being too busy in their studies.

Schooling is not bad at all, but tell me, which school did JESUS go to? Which teacher did teach HIM? Carefully read the book of Deuteronomy chapter 6 verse 1 to the end; you will see by yourself as to how much GOD instructs mankind to teach to his children the fears of the Lord, the respect of the Lord, the searching for the Lord, the union with the Lord, and the endless walk hand in hand with GOD , who is our Lord and our GOD forever and ever. Amen.

Forever and ever. Amen.

And forever and ever. Amen.

What our faith in GOD does for us, one cannot get correct words to describe them, and one cannot get human words to express them. Faith in GOD is entirely divine, so big, so vast,

so heavy, so powerful, so piercing, so glittering, so uniting, beyond what mankind can think of it. GOD loves and helps anyone who has faith in HIM. GOD loves and blesses anyone at whatever time of generation, who has faith in Him, for GOD is the founder of faith. Faith of mankind in GOD touches His heart; for faith in Him brings us closer to Him. It brings us in His courtyard of graces. It takes away the mountains and slopes. It stops the stormy waves of the infernal spirits, which agitate mankind, left, right and centre. Therefore beloved ones, mature and young, in Africa and outside Africa, wherever you are, where GOD blessed you to be living, search for faith, look for faith, think of faith, die of the thirstiness of faith, and GOD will reward you. GOD will compensate you. Search for faith day after day. Be like the merchant the Bible talks about, who, by seeing a fertile place, he went back to sell all that he has, to come and buy the land, newly discovered. You too do the same:

- sell off the your not being serious with GOD,
- sell off your doubts you have been having in GOD,
- sell off your saying I don't care,
- sell off of your wasting time on football,
- sell off your agitated spirit,
- sell off your wasting time on things of the world,
- sell off your comfort of saying we shall see,
- self off of your saying I am busy I don't have time for GOD,

- sell off your drunkenness and its accompaniments,
- sell off of your rumour-mongering,
- sell off your anger,
- sell off your despising GOD's ways,
- sell off your "I Know"s,
- sell off your saying "You know my parents were good Catholics at their time, and these times of ours things are different",
- sell off, sell off, upon sell off, all which have been occupying you, taking you away from GOD your Creator.
