

## FIRST MEDITATION FOR 2017

---

Beloved brothers and beloved sisters in our LORD JESUS CHRIST; to all of you in different countries and in different walks of life, I beg to greet you all from the bottom of my heart. May you all be overwhelmed with heavenly graces upon graces, blessings in all of your soul and body undertakings. May the MOST HIGH LORD and GOD grant you HIS blessings and anointings day after day. Amen.

In this humble year of 2017's first meditation, you and me, and our beloved families, may we focus and look deeply in the book of Genesis chapter 1 verses 1-31. GOD will bless all of us

when we will increase our love to HIM alone through our humble meditations of this above chapter. GOD GOD GOD . How great HE is?? How tender HE is?? How majestic Our Holy Father, Creator of Heaven and Earth HE is - Alpha and Omega.

Beloved ones of GOD , you and me, and our beloved families, we ought to obey, to fear, to love our GOD and our LORD so much day after day. Kindly to all of you servants of GOD far and near, kindly think and rethink about the greatness of GOD! It is GOD Himself who told Moses that go and tell them (the Israelites) who had wanted to go and see the face of GOD , to humble themselves and go and see and meditate on the works of GOD in creation that will give them the greatness of GOD e.g. look at the seas (Indian ocean, Atlantic ocean),

the rivers – River Mississippi, River Nile, Blue Nile, River Congo and many many different rivers in the world, full of different fishes of different sizes etc. Who made them all? The different lakes in the world. Think of how many trillions of billions of tons of water they are having. The wonder works of our Holy GOD . Think of where is the source of all this trillions of tons of water. What minerals did GOD use to create the waters of the oceans and the lakes. More than impossible to understand. It is beyond our human understanding and imagination. We are like St. Augustine in his wondering about GOD and HIS Creation. May HIS holy name be blessed so highly in Heaven and here on Earth.

Beloved ones, people of GOD . Think of how many billion tons of soil and stones, sand, wood and timber there are in the world, then think also of how many trillion tons of minerals e.g. Zinc, Copper, Gold, Iron, Aluminium etc there are in the world. Then think of how many hills and flat lands there are in the world. Then think of all the precious stones in the hills and mountains e.g. marble and diamonds. Too think of how many different sizes of islands there are in the world citing the over 6000 islands within the Philippines alone. All the magnificent works of our GOD . Glory and honour to HIM – in all the heavens and here on earth.

GOD . GOD . GOD .

*May all mankind fear HIM, love HIM, and serve HIM forever and ever. Amen.*

Mankind we should humble ourselves before GOD at all cost. True and truly GOD blessed us mankind and HE created us all in HIS own image, we thank HIM so much so much, but may we ask ourselves very very humbly, deep in our hearts and with a lot of wisdom, as to what percentage we are to GOD ?? Is it one percent over a billion times, or one percent over a trillion times? No mankind will ever know this exclusive divine and so holy wisdom - never.

*These are GOD 's wisdoms and majestic and hidden wisdoms only for the*

*I AM WHOM I AM Exodus 3:13-15*

*GOD THE FATHER , who ought to be blessed, to be glorified, to be called ABBA FATHER , the Alpha and Omega.*

*May we tremble. May we put our knees down to praise HIM and give HIM thanks:*

*GOD THE FATHER*

*GOD THE SON*

*GOD THE HOLY SPIRIT.*

*Amen and Amen and Amen.*

Kindly may we deepen our meditations on what we see, and those we have never seen. Kindly, all of you people of GOD , think of how many stars are in the sky? What are their sizes? And what are the minerals, so special, did GOD use to create them?? Let us all mankind humbly

humble our simple selves to meditate how great is GOD and LORD.

GOD of Abraham.

GOD of Isaac.

GOD of Jacob.

*So magnificent.*

*So mysterious beyond human conception and understanding.*

Beloved ones of GOD , think of the sun so bright and so hot, and so big and so far away in unknown so many million kilometers from the earth. No man will ever know these divine secrets about the sun, about the stars, about

the jupiters, the sister moon and many other planets as prescribed by St. Francis of Assisi. How great is GOD . You and me, from this day onwards until the end of time, we ought to say as Job did say in the book of Job chapter 42 verse 1-6 which says:

<< Then Job answered the Lord and said

“I know that You can do all things and that no purpose of Yours can be hindered. I have dealt with great things that I do not understand.

Things too wonderful for me which I cannot know. I had heard of you by word of mouth but now my eyes have seen you. Therefore I disown what I have said and repent in dust and ashes.” >>

If Job did this, who is written in the Bible, how about you and me? That is why HE asked Job in the book of Job chapters 38, 39, 40, 41 and 42.

Kindly read and re-read again and again. HE (GOD) asked Job, (today its you and me, the Jobs of today), and HE asks who is this that obscures divine plans with words of ignorance? He is meaning mankind, you and me. Do you have an answer?

You will see by yourselves the holy power of GOD , the holy wisdom of GOD , the holy majesty of GOD , the holy of the I AM WHOM I AM telling every mankind do not joke with ME. I AM GOD your GOD who created you. Amen and Amen.

Beloved ones, kindly read the book of Genesis chapter 1:1-31 and see the nature of our GOD, Genesis chapter 1 verse 3 says, Then GOD Said and kindly note and reflect on this ( GOD only SAID). HE did not go to the factories or in

the laboratories to start making soil, stones, trees, stars, water, space, hills, and so on. Never. HE our GOD only SAID and it was done. Amen. Then Genesis chapter 1 verse 6 again GOD said and it was done. Amen. Again read Genesis chapter 1 verse 11 onwards – then GOD said ... and it was done.

Again people of GOD , Genesis chapter 1 verse 14 it says Then GOD said ... GOD 's holy nature is beyond human understanding. Holy is HIS Name. Fear HIM, love HIM, obey HIM, and serve HIM alone and alone. HIS nature is only to say and its done. Then the Bible goes on to say in Genesis chapter 1 verse 20 and verse 24 which says Then GOD said ... and it was done, confirming the true divine nature of GOD in creation.

For GOD , HE only said, and by HIS saying, all was created. Then kindly re-think comparing ourselves mankind and our incapacity and inability to HIS holiness and magnificent wisdom. HIS are beyond and incomparable divine mysterious powers, beyond human understanding and meditations.

GOD GOD GOD is to be whole heartedly adored and venerated all day long in the whole life of each one of us, our home, people, our children and the children's children until the end of time. I humbly beg and beg everyone of you, beloved ones of GOD , to deepen ourselves, on daily basis, in loving and serving our GOD and our LORD. Amen and Amen.

Beloved ones – my brothers and my sisters,  
read the book of Sirach chapter 1 verses 1-29.

It says all wisdom comes from GOD , and with HIM it remains. May we all go on our knees and beg GOD to give us wisdom of knowing HIM, loving HIM, and serving HIM wholeheartedly on daily basis. Amen.

Sirach chapter 1 verse 2 it is so divine. It says ... the sand of the seashore, the drops of rain, and the days of eternity – who can count them? Indeed who and where do you start and end? Sirach chapter 1 verse 12 says the fear of the LORD is the beginning of wisdom.

Beloved ones of GOD , servants of GOD , seek the wisdom of GOD daily and you will be blessed so much. So much. Kindly read and re-read the book of wisdom chapter 6 verses 22-25, and the whole of chapter 7, and the whole of chapter 8, and chapter 9 verses 1-18. This is

the prayer of King Solomon he prayed and GOD blessed him with wisdom of wisdoms. Too, you and your family, and all of us, need this wisdom. Beloved people of GOD, my brothers and my sisters worldwide, the book of Sirach 14:20-27 says happy the man who meditates on wisdom and reflects on knowledge. How wonderful is this? Sirach 15:1-20 how it says it is wonderful. Sirach 16:1-28 Divine wisdom in creation. Sirach 17:1-27 how deep it is? GOD , our holy GOD , who created all of what we see, and what we have never seen, may HIS holy name be blessed upon being blessed. How great is GOD ? ABBA FATHER , the Alpha and Omega – may HIS holy name be glorified in the heavens and on earth forever and ever. Amen. Amen. Amen.

From HIS holy heavens may HE, our LORD and our GOD , shower on each of you, your people and family, the uncountable graces upon graces, wisdoms and understandings. May HE give all of you much peace and joy in your day to day life. As well may HE give to you all the double holy anointing HE gave to Elisha, and may HE add to each one of you, my beloved sisters and brothers, the many more years HE gave to King Hezekiahs.

May HE, the MOST HIGH LORD and GOD , cure all of you as HE cured Naaman from his sicknesses. May the MOST HIGH LORD and GOD do to you beloved ones, the miracles HE did for Elijah and the widow during the drought times in Israel. GOD commanded the ravens to bring meat and bread to Elijah, though ravens don't bake bread or cook meat at all.

But because HE is GOD , all are HIS. In HIS holy goodnnesses may HE overflow you all, worldwide, with what is good from HIS holy heavens. E.g. foodstuffs of all kinds, clothes, jobs, money, to keep you going in life, blessed by HIM, Our Maker.

May all of HIS holy blessings – as HE said to Moses (for all of mankind until the end of time) in the book of Deuteronomy 28 verse 1-14 , be upon you, beloved ones of HIS. May all of HIS holy blessings, as per the book of Numbers 6:22-27, surround your homes and your children and your walks of life, in your different countries worldwide, forever and ever. Amen.

May all of HIS holy divine blessings, as per the book of Leviticus 26:1-13, flow upon each one of you and your family members, in heavenly abundances. May HE our LORD and GOD

renew all of your lost courage and give you all new heavenly hopes, feelings and new go-aheads, geared with GOD THE HOLY SPIRIT'S seven gifts. Amen. Amen. Amen.

Beloved ones, people of GOD , fear no more. GOD loves you so much and HE cares. As HE says it in the book of Joel 2:18-27 , and the Psalms creams all so well, so well, to all of us. Kindly read these Psalms, and re-read them on different times throughout the year and years ahead:

Psalm 23, Psalm 27, Psalm 108,  
Psalm 105, Psalm 99,

Psalm 135, Psalm 136, Psalm 145,

Beloved ones of GOD , people of GOD , may  
the MOST HIGH LORD and GOD be blessed in  
the Heavens and here on Earth, by all mankind,  
and all what is in this world, the wonder works  
of HIM. May all of them bless HIS holy name

forever and ever. Amen.
