Beloved ones, people of GOD, my brothers and my sisters,  
fellow Catholics worldwide, greetings in our Lord JESUS CHRIST.

May The Most High Lord and GOD overwhelm you with His holy  
blessings and graces.

Beloved ones, do not be cheated and fooled into thinking that  
everything is alright between us mankind and GOD our Creator.  
Our loving merciful GOD is a jealous GOD. (Deuteronomy

read the signs of the times.
