For you make me jubilant, Lord, by your deeds. At the works of your hands, I shout for joy. How great are your works, Lord; how profound your purpose! A senseless person cannot know this; a fool cannot comprehend. Though the wicked flourish like grass, and all sinners thrive, they are destined for eternal destruction. For you Lord, are forever on high. Indeed your enemies Lord, indeed your enemies shall

perish, all sinners shall be scattered. You have given me the strength of a wild bull, you have poured rich oil upon me. May my eyes look with glee on my wicked enemies. My eyes delight in the fall of my foes; the just shall flourish like the palm tree, shall grow like a cedar of Lebanon. Planted in the house of the Lord, they shall flourish in the courts of our **GOD** . No.71 PSALM 21, Lord, the king finds joy in your power, in your victory, how grateful he rejoices.

No.72 PSALM 19,

The heavens declares the glory of **GOD** , the sky proclaims its builder's craft. One day to the next, conveys that message, one night to the next imparts that knowledge. There is no word or sound nor voices heard, yet their report goes forth through the earth; their message to the end of the world. **GOD** has pitched there a tent for the sun, it comes forth like a bridegroom from his chamber, and like an-athlete joyfully runs its course from one end of the heavens it comes forth, its courses runs through to the other; nothing escapes its heat. The law of the Lord is perfect, refreshing the soul. The decree of the Lord is trustworthy, giving wisdom to the simple. The precepts of the Lord are right, rejoicing

the heart. The command of the Lord is clear, enlightening the eye. The fear of the Lord is pure, enduring forever. The statutes of the Lord are true, all of them just. More desirable than gold, than a hoard of purest gold.

Sweeter also than honey, or drippings from the comb. By whom your servant is instructed, obeying them brings much reward. Who can detect heedless failings?

Cleanse me from my unknown faults. But from willful sins, keep your servant. Let them never control me.

Then shall I be blameless, innocent of grave sin. Let the words of my mouth meet with your favour, keep the thoughts of my heart before you Lord, my rock and my redeemer.

No.73 PSALM 18,

I love you Lord, my strength, Lord my rock, my fortress, my deliverer.

No.74 PSALM 15,

Lord, who may abide in your tent? Who may dwell in your holy mountain.

O Lord, our Lord, how awesome is your name, through all the earth?

Lord my **GOD** , in you I take refuge. Rescue me, save me from all who pursue me.

No.81 PSALM 4,

True happiness in **GOD**'s law.

Then, and then, how great is our Lord and our **GOD** .
May we love Him, may we serve Him diligently until you
and me, He, in His goodness, will call us in Heaven.
Amen, and Amen.

1) How great is our Lord and our **GOD** . **GOD**
thunders the clouds, and the clouds get perplexed,
in the awe of the **I AM WHOM I AM** . The wonder
works of our Lord and our **GOD** . When **GOD**
thunders on the clouds, at that spot where He has
thundered the clouds, no pilot can dare take there
an aircraft. The wonder works of our Lord and our
GOD . Whoever has ever used an aircraft knows
what I am talking about. If a mere cloud shakes an
aircraft and every one trembles, then how about a
thunder meeting an aircraft? The ship crew knows
what a thunderstorm means on the high seas. When
there is thunder, one trembles - no matter how
many years he has been on the seas. Beloved ones,
servants of **GOD** , children of The Most High may we
keep the precepts of The Most High, our Lord and
our Maker, for He is the **Alpha and Omega** .

2) **GOD** says that what takes mankind to build in a thousand years, to Him it takes only a day. Question to you and me: how many days did it take for **GOD** to create the world, compared to you and me, if we are told to create Mount Everest – how many years will it take us mankind? **GOD** breaks cities with His earthquake in a split second, and mankind is gone, never to rise again. See the example of Haiti and many others. Forever and ever may He remain **GOD**. May He be praised. May our holy Mother Mary lead all the Cherubim and Seraphim in Heaven, and all the Angels and Saints, to give glory and honour to Him. May all the Earth praise Him. May all the plants praise Him. May all the wild beasts give glory to Him. May all the diamonds and gold shine for His goodness and His holy name. Amen, and Amen.

GOD GOD GOD

who is our **GOD** and our Lord, is **GOD**, never to be joked with. Him is Him. You and me, mankind, we are just simple human-made people. We pass away

like flowers. A few years on Earth, and we are no more. May we change. May we call Him ABBA FATHER, then He will bless us. Then He will bless our families. Then He will bless our clans. Then He will bless our societies and nations. Die of loving Him. Die of serving Him. Call Him ABBA, FATHER day and night. Teach your children to call Him ABBA, FATHER, then you will be blessed. Kindly read the book of Deuteronomy the whole of chapter 6. In your different countries brothers and sisters, may the most holy Lord and **GOD** empower you with the desire of serving Him, and loving Him. Amen, and Amen.

GOD GOD GOD

Once told Moses, take off your sandals because you are standing on holy ground, and Moses did so. Then how about you, then how about me? If Moses was told like that, where are you and me? Be careful, servants of **GOD** , be alert, people of **GOD** , may Deuteronomy chapter 34 verse 1 onwards help

you to change. May our hearts tremble before **GOD**
. May our minds do the same, for He is Lord and
GOD forever and ever. Amen.
