**GOD GOD and GOD .** May He be blessed, may He be glorified, in Heaven and on Earth, forever and ever. Amen.

## **GOD GOD GOD**

Is to be respected by all mankind; must be glorified, must be venerated. Mankind, as we are mankind in this world, we do the worst against ourselves, of not meditating nicely and deeply on the divine works of **GOD** , on what His divine hands created. We overlook and downlook on the wonders which **GOD** created. It is the sad part in you and me. That is why JESUS said they have eyes but they do not see. For what surrounds us mankind all over the world tells us how great is our Lord and our **GOD** , but do we meditate on them? Does the wind tell us how great is **GOD** ? Does the storm tell us that we should fear Him? Does the thunder tell us never to joke with **GOD** ? Poor we, very sorry for our very selves, and may **GOD** forgive us. If we ever see those we have never seen, which are above the

earth and under the earth, then what shall we say? For if at all what we see does not tell us how great is our **GOD** , you and me, may we ask **GOD THE HOLY SPIRIT** to send His spirit of wisdom and knowledge to each one of us, to our family members, to our fellow countrymen, and all mankind.

You and me, educated and non-educated, the holy message of **GOD** which is 100% open and very direct, to you and me, is fear **GOD** . Love **GOD** . Venerate **GOD** . Give glory to **GOD** alone. Do not be swept away with the world and its ways. For the world of today, which is going away from **GOD**, they are giving glory, which would have been for **GOD** , they are giving this glory to their football teams. They are giving this glory, which would have been for **GOD** , to their best sharp-shooter in football, best wingers in the football. You find people knowing the names and the years of the footballers, and they do not know the Ten Commandments. To the people of the world of today, football is tastier than food. People have sleepless nights when their teams are to play the next day, millions have started

getting high blood pressure, which are incurable medically, because they are getting it from the tension they get through football. People who were created by **GOD** refuse to go to Sunday Mass, for the sake of going to the football match. Where will you get blessings. That is why the world is in inflation and confusion and wars, and the ravages of unemployment worldwide. We have replaced **GOD** with amusements. People are walking naked, who were created by **GOD**. Children no longer fear their parents, in the name of human rights. Drug addicts all over the world. Who bewitched us mankind? Where are we going mankind? Where will we find **GOD**, mankind? Isaiah chapter 55 verse 1 to the end says it very clearly. Seek the Lord while He is still near; call upon the Lord when He can still hear you. But mankind is calling upon football teams to bless him, and he is calling upon mid-wingers to soothe his thirstiness. Very sorry, and very sad. May **GOD** forgive the world. The devil has used the football to poison millions and millions of people, educated and uneducated, civilized and non-civilized, rich or poor, are all dancing. Be in Europe,

or Africa, or America, or Scandinavia or Asia, or anywhere else, the language people know and want to hear, is football. As if football will ever be their advocate before **GOD**, as if football will ever give them a spiritual air ticket to heaven, as if football will ever help them to get graces and blessings of **GOD**, as if football will ever help them to come closer to GOD THE FATHER , the **Alpha and Omega** , as if football will ever help them to be loved by JESUS, the Redeemer of the world, as if football will ever help them to be loved by GOD THE HOLY SPIRIT , as if football will bring them closer to Mother MARY, as if football will help them to be loved by the Cherubim, Seraphim and all the Angels of **GOD** , as if football will ever help them to say the holy rosary daily, as if football will ever help them to go and do Adoration of The Blessed Sacrament, as if football will ever help them to get composed and think of **GOD** , and think of His doctrines, and meditate on Him, how great He is, as if football will ever help them to read the Bible and meditate on it, as if football will ever give them peace of searching for **GOD** , as if football will ever teach them the way to

**GOD** , as if, upon as if, ..... in their hundreds of as if .... Which I cannot even mention, because they are so many as ifs. Question yourself, and I question myself, as far as **As If's** are concerned, where are you - If **GOD** asks you today. How much percentage of **GOD** within your heart you have replaced with football, which is a mere dead skin of a goat with a rubber balloon filled with air inside! And a whole child of **GOD** , a baptized one, start clapping for the dead skin of a goat, instead of clapping for **GOD** . Instead we clap for the skin kicked about by human legs. Watch out. Think twice. And waste no **GOD's** time in useless things. And I wish all mankind can read this, in order to wake up from the sleep of meditation on football, and other amusements, as if we are like those of Sodom and Gomorrah, as if we are like the people of Nineveh, as we are like the Jews of that time, who made a golden calf and started calling it god. And started adoring it, as we adore Manchester United, Barcelona etc etc. You wonder whether we are going to Heaven, you wonder whether we are to remain here on earth forever, you wonder whether

we are awake in **GOD** , or asleep in football. Up to the level of the World Bank, funding the Soccer Federation FIFA while people in Asia and Africa are dying of hunger, malaria, poverty, etc. Is World Bank guided and directed by the SPIRIT OF GOD? Question yourself and I question myself, is it written anywhere in the Bible that JESUS played football? Did JESUS have a football team? Where are we going, mankind? Where are we heading, mankind? Who bewitched us, mankind? What are we teaching to our youth, when **GOD** said it clearly in Deuteronomy chapter 6 verse 1 to verse 25, and I quote verse 4 to verse 9: **GOD** says “Hear O Israel, the Lord is your God, the Lord alone. Therefore, you shall love the Lord, your God, with all your heart, and with all your soul, and with all your strength. Take to heart these words which I enjoin on you today. Drill them into your children. Speak of them at home and abroad, whether you are busy or at rest, bind them on your wrist as a sign and let them be as pendants on your forehead. Write them on your doorpost of your houses, and on your gates.” **GOD** said that; but you see thousands upon

thousands wearing wristbands of football teams. Can you understand this? Can you understand where mankind is going? **GOD** forbid for our wickedness. **GOD** forbid for our replacing the love for Him with the love for football, the love to the bars, the love to evil movies, the love to gambling, the love for money, the love for nonsenses of this world. That is why JESUS said in Luke 13:1-6 Repent or perish. The people of Sodom and Gomorrah are a lesson to all mankind.

a) That is why **GOD** told Jeremiah (Jeremiah 15:1-24) and (Jeremiah 7:1-34), as well as Deuteronomy 28 :15-69, for when you and me mankind, we forget our Lord and our **GOD** , His calamities within the world, of different dimensions, they hit us: whether financially we are billionaires, whether we are heads of state, whether we are highly educated of non-educated; the splendours of **GOD** races us down, smashes us in different versions, for **GOD** is **I AM WHOM I AM** .

Therefore you and me, may we beat our chest, in the mood of changing, in the mood of calling **GOD ABBA, FATHER.**

b) May His holy name be praised forever and ever Amen. May His holy name be glorified forever and ever. Amen.

c) May His holy name be venerated forever and ever Amen.

d) May Mother MARY, Seat of Wisdom, lead all the Cherubim and Seraphim, and all the Angels and Saints, to give praise and honour to our Lord and our **GOD** . May all the heavenly beings praise the name of the Lord, who is our Lord and our **GOD** forever and ever. Amen.
