

NEVER UPON NEVER THINK THAT HELL IS NOT THERE

*One person in confession questioned the very existence of Hell.
Padre Pio responded, "You will believe it when you get there."*

Bro. Michael Diamond

People of GOD, beloved ones of The Most High, my brothers and my sisters, fellow Catholics worldwide, in whichever country GOD allows you to live, and in whichever state of life GOD allows you to lead, and whatever age you are, never upon never, dare think that hell is not there. You will be lost. In your lifetime here on earth, never make an eternal mistake of rejecting GOD's Decrees and Orders. They, His Decrees and Orders on nature, are sublime, are in existence, are holy commands of His, our Creator and our Maker.

**They are
non-changeable,
non-negotiable,
non-compromiseable,
non-ending.**

Heaven is there. Glory to GOD. If you ever doubt that Heaven is there, or anyone in society thinks that there is no Heaven, very very sorry for the day they were born.

**The Lord and GOD who created Heaven,
created hell for those worthy to be punished.
That is GOD's Decree.**

As GOD decreed of the sun, that when it rises it has to shed light, and when it sets, darkness comes. If one refutes this, very sorry for the day they were born.

Before The Almighty GOD, there are divine orders, and **the greatest one for us mankind**, is that if we fear Him, we love Him, we serve Him, we obey all the Ten Commandments, **our eternal reward is Heaven**. Failure to do so, **hell will be eternal**. That is as per **GOD's Decree**. No one should deceive you, or no one should deceive themselves at all about the existence of hell.

REMARKS

Padre Pio was a Capuchin Priest highly gifted by GOD with different gifts of working miracles. One person, in confession, questioned the very existence of Hell. Padre Pio responded, "You will believe it when you get there."

Dare to think that there is no hell, you will find yourself seated in hell.

GOD is GOD, and His Decrees are holy. He Decreed that mankind exists, and we are existing. He Decreed that mankind should talk, and we are talking. He Decreed that mankind must die, and we shall die. If anyone refutes these Decrees, very sorry for the day they were born. The same about hell. So, people of GOD, my brothers and my sisters, beloved ones of GOD, **live consciously knowing:**

- » **That hell exists.**
- » **That Lucifer and his demons exist.**
- » **That the date of birth of someone, and the date of death of someone: they both exist.**
- » **These, and others, are holy Decrees of The Most High Lord and GOD.**

Kindly, upon kindly, read the whole book of Ecclesiastes: chapter 1, chapter 2, chapter 3, chapter 4, chapter 5, chapter 6, chapter 7, chapter 8, chapter 9, chapter 10, chapter 11, and chapter 12.

And I beg to quote Ecclesiastes 3:1-8

Man cannot hit on the light.

“There is an appointed time for everything, and a time for every affair under the heavens.

A time to be born, and a time to die.

A time to plant, and a time to uproot the plant.

A time to kill, and a time to heal.

A time to tear down, and a time to build.

A time to weep, and a time to laugh.

A time to mourn, and a time to dance.

A time to scatter stones, and a time to gather them.

A time to embrace, and a time to be far from embraces.

A time to seek, and a time to lose.

A time to keep, and a time to cast away.

A time to rend, and a time to sew.

A time to be silent, and a time to speak.

A time to love, and a time to hate.

A time of war, and a time of peace.”

GOD’s Decrees and Statutes are not to be debated upon by any human being. These are Decrees from His own divine powers. He alone, our Lord and our GOD who is unquestionable and unchallengeable, and undoubtable. To confirm to you His powers and authority, read Job chapter 38, chapter 39, chapter 40, chapter 41, and chapter 42.

But I beg to quote Job 38:1-7

“Then the Lord addressed Job out of the storm and said, ‘Who is this that obscures divine plans with words of ignorance. Gird up your loins now, like a man. I will question you and you tell me the answers. Where were you when I founded the Earth? Tell Me if you have understanding. Who determined its size, do you know? Who stretched the measuring line for it? Into what were its pedestals sunk and who laid the cornerstone, while the morning stars sang in chorus, and all the sons of GOD shouted for joy.’ ”

As far as GOD's Decrees and GOD's Statutes are concerned, one should not remain blindfolded, they are a reality, they exist, they are for you, they are for me, and they are for your family members, and they are for all mankind. No mankind has a way of refuting them, however powerful he may be, come what may.

To confirm to you this, just flash back two thousand years ago up to today, and see those who were untouchable, who were nobles, who were powerful kings, who were powerful fighters, who were powerful emperors, who were rich and successful, who were famous, and the like. Today they are no more.

For example:

- » Julius Caesar, Christopher Columbus,
- » Benazir Bhutto, Pontius Pilate, Mao Zedong,
- » King Herod, Emperor Nero, Napoleon Bonaparte,
- » Henry Ford, Margaret Thatcher, King Henry VIII,
- » Adolf Hitler, Abraham Lincoln, Charles de Gaulle,
- » Fidel Castro, Albert Einstein, Nelson Mandela,
- » Haile Selassie, Sergent Doe, Samora Machel,
- » Kamuzu Banda, Winston Churchill, Jomo Kenyatta,
- » Mahatma Ghandi, Kwame Nkurumah, P.W. Botha,
- » Julius Nyerere, Walt Disney, Martin Luther King,

and many other influential persons, in Finance, in Politics, in Business.

They are all gone, as if they never existed. As if they did not want to live more years. But **because of the Decree of GOD that whoever is born in this world must leave it**, they are nowhere to be seen.

When you read the holy Bible, you will find, in the book of Genesis 5:1-32, the lineage from Adam to Noah, and most of them lived for several hundred years, **but because of the holy Decree of GOD, they passed on.** The great people of GOD like Abraham, Isaac Jacob, Joseph, Noah, Elisha, Jeremiah, Isaiah, Daniel, Joshua, Moses, John the Baptist, The Apostles of JESUS, and many more, they all existed, and because of the Decree of GOD The Almighty, they all died.

Then who is you, who is me, who is our family members, or our fellow countrymen of today, that we shall refuse the Decrees of GOD.

This confirms to you and to me that all the holy Decrees and Statutes of GOD exist and are to be abided by.

It is a mystery, and it is the power of GOD. It is the bitter truth of nature.

The truth of GOD in nature:

- ~ A child gets to be born,
- ~ After 24 hours, he gets to be 1-day old on Earth.
- ~ After 30 days on Earth, the baby becomes a 1-month old.
- ~ By the grace of GOD after several years, the child who was once 1-day old becomes a youth,
- ~ And after several years as a youth, the youth becomes an adult.
- ~ After several years, the adult becomes an old citizen.

This all happens by the Decrees of GOD: unavoidable.

- ~ **As those who lived before us had to go.**
- ~ **The same to us of today, and the same for those who are yet to come – we are passing flowers,**

Which is not bad at all, because it is a Decree of GOD, and where we are going is Heaven, our permanent and eternal home.

Opposite of not going to Heaven, is going to hell.

GOD, our Lord and our GOD, our Creator,
Decreed, and His Decrees are holy.

Along your path, get to know this, and get to work for Heaven vigorously. You have no choice, and I have no choice. This is the bitter truth of the matter.

The day we ever think that hell is not there, is the day that Satan is visiting you and crippling you.

The day you ever receive someone talking to you that hell is not there, it will be the day that Satan is visiting you through that person, and chase them away on spot, without negotiation.

**So, beloved ones of GOD,
my brothers and my sisters,
be completely aware that hell is there,
and work against it 100%,
using all the Sacraments,
blessings and graces there are in the
Holy Roman Catholic
and Apostolic Church.**
