

May The Most High Lord and GOD
be blessed in the holy heavens,
be blessed on earth,
be blessed in our respective continents,
be blessed in our respective countries,
be blessed in our individual homes,
be blessed in our individual clans,
and above everything,
be blessed in our individual spirituality.

May Mother MARY lead all the Cherubim, Seraphim, and all the Angels and Saints of Heaven in giving praises and honour to The Most High Lord and GOD.

To you my brothers in the Lord, those near and far, in different circumstances of life, may The Most High Lord and GOD's blessings and graces be upon you in all these different circumstances which are troubling you, so that they bring you peace.

May these holy graces give you hope during the entire coming year 2019, and the many years ahead.

May His divine blessings upon blessings set you free from the different bondages – bondages of anxiety, bondages of sicknesses, bondages of different calamities of life which could be troubling you or troubling your family.

May the divine wonders of GOD be upon you and set you free.

May His holy goodnesses be before you and be ahead of you all the days of your life.

May the newly-born JESUS CHRIST this coming Christmas bring about the heavenly holy goodnesses in all of your different needs and circumstances.

Peace upon peace to you, my beloved brothers and sisters worldwide. Joy upon joy to you. And may the hope in our Lord fill you, fill your family members, and overwhelm you in all the undertakings of your hands and mind.

As King Hezekiahs in 2 Kings 20:1-21, GOD healed him and gave him 15 more years of life, may our Lord and our GOD do the same to you and to your family members.

And as The Most High Lord and GOD liberated the Jews from enslavement in Egypt in Exodus 14:1 to the end, may He liberate you and your family from different bondages. May He in all of His kindness, set you free in different circumstances, until those who have been laughing at you can laugh no more.

And may the goodness of The Most High Lord and GOD which did miracles to the poor widow of 1 Kings 17:1-24 that her pot of flour and jar of oil never got dry, do the same in your day to day needs and in the upkeep of your family.

May the graces of GOD from Heaven bring about peace in your heart, peace at work, peace in your unemployment, peace in your retirement age, peace in all of your endeavours. Amen.

Beloved ones, servants of GOD worldwide, deepen yourselves in loving GOD and serving GOD by being so prayerful. Make a new strategy, beginning on January 1st 2019, of increasing your prayer life, which will increase your union with GOD. When we deepen in our Lord through prayer we get His extraordinary blessings, as you can read in Isaiah 55:1-13 which tells us to seek the Lord while He is to be found and to call on the Lord while He is near.

Beloved ones, my beloved ones, people of GOD, children of GOD, servants of GOD worldwide, make a new contract with GOD, starting this coming Christmas, of loving Him in an extraordinary way through prayer, and of being so keen extraordinarily in the different ways the Spirit of GOD will allow you. May all of you and me go a milestone deeper in loving and in trusting GOD as Judith did in the book of Judith 8:1-36 and Judith 9:1-14.

Beloved one of GOD, in whatever circumstance you are:

- grow strong in prayers
- grow strong in faith
- grow strong in the Holy Catholic Church
- love GOD with all your heart
- serve GOD at all times
- accept the Spirit of GOD to lead you, to transform you, and to transform your family members
- at any given time of your life seek the Lord and serve the Lord.

Then the reward will be great for you in Heaven.

May all of us be strong and courageous like John The Baptist. He preached GOD and he lived in GOD's way.

May all of us be strong as John The Evangelist. Though he was young but he was so courageous as never to run away at Calvary.

May you never leave the different Calvaries you undergo, and never dream and think of leaving The Holy Catholic Church in the entire life of yours.

Kindly upon kindly be a true Catholic 100%.

Walk as a Catholic.

Talk as a Catholic.

Think as a Catholic.

Believe as a Catholic.

Act as a Catholic.

Grow mature as a Catholic.

Die as a Catholic.

And finally enter Heaven as a Catholic. Amen.

Finally my brothers and sisters in the Lord worldwide, may the graces of The Most High Lord and GOD be upon you all, be upon all the members of your family, transform you to another higher spiritual degree, and uplift you and cement you in the divine bond of faith in the Lord our GOD as our ancestors in faith were. Kindly read Hebrews 11:1-40.

When you and me, we shall increase our faith in the Lord through prayers, our lives will not be the same. Our union with GOD will not be the same. GOD will fill us with the 7 gifts of GOD THE HOLY SPIRIT and instead of walking on the ground spiritually we shall be flying in the air. May GOD double-anoint you all as He double-anointed Elisha in 2 Kings 2:1 to the end.

Beloved one filled with the Spirit of GOD, where can I end up in wishing you all of GOD's different blessings for this Christmas and for the New Year and for the many years ahead? There is practically no end except to beg Him, The Most High Lord and GOD, that He gives you the desires of your heart of knowing Him and loving Him and serving Him.

May the divine winds of GOD which took Elijah in the chariot of fire bring to you new spiritual fire that, starting from this Christmas, you will never be the same spiritually.

Blessings upon blessings.

Peace upon peace.

Joy upon joy.

And hope upon hope in our Lord and GOD

The GOD of Abraham

The GOD of Jacob

The GOD of Elijah

The I AM WHOM I AM

Abba Father, creator of Heaven and Earth.

Amen and Amen.

I remain, praying for you day after day,

Your brother in Christ
