

POSSESSED AGENTS OF THE DEVIL

There are people who are 100% possessed by Satan, and they are infectious, spreading the evil in them to others. AVOID THEM 100%.

- 1) Mankind, you and me, my brothers and my sisters, wherever you are in the world, we should be prayerful, upon being prayerful, as to invoke GOD's blessings and graces to our very selves and to our family members.

Among the people we live with, among the people we work with, among the children whom our own children study with, among our different fellow countrymen, **there are people who are 100% possessed by Satan, and they are infectious:** spreading the evil in them to others. Satan, who is Lucifer, uses them. Avoid them 100%.

- 2) Day after day, you and me, you and your family, through intensive prayers, ask for GOD's graces and GOD's blessings, to protect you from these diseased people.

Pray upon praying, and you will get a reward of discernment, of knowing the bad spirits within other people around you.

Pray upon praying, for your family members to have this gift of discernment, in order for them to avoid being possessed as well.

- 3) The more one is just in GOD , the more one is firm in GOD , the more one is prayerful before GOD , the Most High Lord and GOD blesses him with the seven gifts of GOD THE HOLY SPIRIT . And after being blessed with the gift of discernment, one will know:

- a) Who is a liar
- b) Who is a rumour-monger
- c) Who is a thief
- d) Who is a drunkard
- e) Who is a witch
- f) Who is agitated
- g) Who is envious
- h) Who is ruthless in all
- i) Who is a scoundrel
- j) Who is not GOD-fearing
- k) Who is a risk-taker
- l) Who is never serious
- m) Who is a nonsense lover
- n) Who is an abortionist
- o) Who is for GAY-ism
- p) Who is a trouble causer
- q) Who is witchcraft oriented

Avoid them 100%.

Be far from them 100%.

Disassociate yourself from them 100%.

Only in prayer: pray for GOD to change them.

- 4) Day after day, you and me while we are still in this world, we should, and we must, cross-check all of our movements, all of our ways, consciously asking oneself, are these the ways of GOD or not?

Are these ways taking me to Heaven or leading me to hell?

*Using the gift of GOD
of judgment and conscience.*

- 5) You and me, wherever we are living in the world, whatever age we are, and whatever social life we are leading:

we should not be trapped by the devil through the people,

or through the teachings of the sciences.

Remember and always remember, that Satan uses our fellow mankind to destabilize us and to hook us to his camp.

For example:

- » The drunkards, the quarrelsome ones, the thieves, and all those who break the Ten Commandments. Avoid them, so that they do not hook you to Satan.
- » The witchcraft people, Sangomas, all in general, are agents of Satan.
- » The doctors who are killing children through abortion are 100% demonic.
- » The robbers and gangsters are all satanic.
- » Those in black magic, devil worship, the freemasons, the magicians, fortune-tellers and the like, are all satanic agents.

6) My brothers and my sisters, wherever you are in the world, wherever you are working, wherever GOD allows you to see the sunrise and sunset:

Be prayerful, be so prayerful,
begging the good Lord to send you
the seven gifts of
GOD THE HOLY SPIRIT

» **in order to be helped by these gifts
to live a peaceful GOD-fearing life,**

» in order to lead a good Catholic life,

» in order one day to enter Heaven,
where our Lord and our GOD

is waiting

for you and for me
and for our families.

AMEN.
