

SR JOSEPHINE SUL

PROLOGUE

BY PIOUS PONSIANO KINTU

GOD's holy goodnesses, which is all divine, and within HIS divine planning for the human race's salvation, sends different messengers since time began.

You and me, we owe HIM our souls' thanks, and human understanding thanks, day after day, the whole of our lives, for HE our Lord and GOD , so much cares beyond.

Thanks be to HIM alone in Heaven.

Thanks to our savior JESUS CHRIST.

Thanks to GOD THE HOLY SPIRIT.

Thanks to our Holy Mother MARY who
prays for you and me daily.

And we ought to thank all the heavenly
beings of Heaven who intercede for our
human race.

People of GOD , children of GOD ,
beloved ones of GOD ,

GOD 's divine goodness has,
among others in our times,
given us all mankind one
African Roman Catholic Nun
by the names of
Sr. Josephine Sul
found in the Diocese of Luiza
in the D R Congo.

What a loving and mighty Lord and
GOD to you and me!
To our beloved families and our races!

Sr. Josephine Sul, GOD selected her to be a suffering Nun for the sake of your sin and your family's sin and mine.

She undergoes all of our Lord's Passion and wounds from time to time.

She is, by heavenly arrangements, carrying on our Lord's Passion, which is a total love for our human race.

Kindly anyone with the book THE POEM OF THE MAN-GOD , kindly read this from volume 5 - pages 829 to 840.

I beg to cite JESUS' own words on page 834, and I write them down for you and me. JESUS Our LORD said as follows:

I solemnly tell you: I am about to go back to my Father, but the earth will not lose my presence. I shall be watchful and friendly, master and doctor, where bodies or souls, sinners or saints, will need me or will be elected by me to transmit

my words to other people. Because, and this is also true, mankind will be in need of continuous acts of love from me, because it is so hard to bend, so easy to wane, ready to forget, eager to descend instead of ascending, that, if I did not detain it with supernatural means, the law, the gospel, the divine assistance administered by my church would be of no avail to keep humanity in the knowledge of the truth and in the will to reach Heaven; and, I am speaking of the humanity that believes in me, always little when compared to the great mass of the inhabitants of the earth.
