GOD GOD GOD

» GOD commanded the Angel of Destruction to clear the first born of the Egyptians, including the first born son of Pharaoh, and all the first born of their animals.

If this happened, then you and me, how can we joke with GOD ?

- He can allow tornadoes to happen.
- He can allow storms to happen.
- He can allow hurricanes to happen.
- He can allow tsunamis to happen.
- He can allow droughts to happen.
- He can allow whirlwinds to happen.
- He can allow volcanoes to happen.
- He can allow floods to happen.
- He can allow earthquakes to happen.
- He can allow locust swarms to appear.
- He can allow avalanches to happen.
- He can allow mudslides to happen.
- He can allow wild fires to rage.
- He can allow epidemics to break out.

**When we continue to sin,
when we don't want to make a U-turn,
all of those calamities can terrorise us
mercilessly.**

- 1) You and me, may we be number one in changing to Him wholeheartedly ***in prayer.***
- 2) May we be number one in changing to Him wholeheartedly ***by fearing Him.***
- 3) May we be number one in changing to Him wholeheartedly ***by respecting Him.***
- 4) May we be number one in changing to Him wholeheartedly ***by praising Him.***
- 5) May we be number one in changing to Him wholeheartedly ***by giving Him honour.***
- 6) May we be number one in changing to Him wholeheartedly ***by giving Him glory.***

For He is our Creator

For He is our provider

For He is the source of our lives

For He is the end of our lives

Amen Amen and Amen

» The Bible says when Moses reached the holy mountain of GOD from where he was to get the Ten Commandments, the winds shook the vegetation because they were glorifying GOD and praising GOD

You and me, who are baptized,

You and me who are confirmed,

You and me who are on the journey to heaven,

Why don't we give Him glory and honour when we are still alive?

Repent. Repent.

Isaiah chapter 55 is commanding you, is commanding your children, to **seek the Lord when He is still near**. To search for Him. Do it. Do not hesitate. For you never know when you will be called. None of us who are still living, knows his day or time of departure. It can be tomorrow, it can be after so many years, but it will be there.

- Whether you are a Head of State,
- whether you are a Minister,
- whether you are an MP,
- whether you are a Governor,
- whether you are a Major General,
- whether you are an Inspector of Police,

- whether you are a Vice-chancellor,
- whether you are a Surgeon,
- whether you are a billionaire in your city,
- whether you sing and you sing and everyone claps,
- whether you are a VIP in your country,
- whether you are a VIP in your place of work,
- whether you are a peasant who has nothing when others are billionaires,
- you will all go.
- We shall all go.
- Our ancestors went.
- Even us we shall go.

Going is not bad at all, only the question is –

will you be going to Heaven or to Hell?

JESUS is commanding you,
JESUS is commanding your family,
JESUS is commanding our fellow countrymen,
to repent,
without any excuse.
Amen Amen Amen

GOD GOD GOD

GOD who is Almighty.

» GOD asked Job questions beyond questions. You and me of today, He is asking us the same. **(Read Job chapter 38, chapter 39, chapter 40, chapter 41, chapter 42)**

In Job chapter 38 verse 1 GOD asked Job,

“Who is this that obscures divine plans with words of ignorance?”

Same to you, same to me. He is asking us.

a) Question yourself, where did GOD get all this soil which covers our different continents?

- b) Question yourself, which mineral did GOD use and He created water?
- c) Question yourself, how many trillion tons of water are there in the world?

Then upon then:

Waste no time. Repent.

Waste no time. Come back to the Lord.

Waste no time in your human thinkings.

GOD is GOD .

Whatever He commanded,

He commanded!

You cannot challenge Him.

Read and re-read Job verse to verse.

**Tell your children to read the books of Job,
Wisdom, Sirach and Ecclesiastes.**

» The people of Babel, in their human thinking, they thought they can build a tower and reach GOD .
What happened?

And us of today, in our different ways of life, way of understanding, we can think we are anywhere to compare ourselves with GOD :

- ❖ The GOD who commands the thunder and it thunders, and you and me we tremble.
- ❖ The GOD who allows the storms to storm, and mankind cries.
- ❖ The GOD who allows the earthquake to quake the imprudent world, to quake the imprudent mankind, to quake the unrepentant world, and mankind cries.
- ❖ The GOD who allows calamity upon calamity to befall idolatrous mankind.

May His holy name be blessed in Heaven
and on Earth.

May His holy name be blessed and praised
by all the Heavenly beings led by Mother
MARY, the Mother of our Saviour, and
may you and me down here on Earth give
Him praise and honour.

Amen. Amen.

GOD GOD GOD

» People of GOD , beloved ones of GOD , those in the G6, those in the G20, and the beloved ones of His in the other countries, simple and VIP, educated and non-educated, young and mature, and everyone who lives under the sun, what our Lord and our GOD did ask Job by then, He too asks us in the same way, we of today:

- Who are we, who are you, who am I, to challenge GOD ?
- Who are we, who are you, who am I, to tell GOD that we know better?
- What do we know?
- We only know our day to day.
- You cannot even tell what the morning will be like – sunny or dull.
- You cannot even know the actual number of Angels in Heaven.
- You don't even know how they look like.

Repent.

Repent my sister.

Repent my brother.

Enough is enough.

Tell it to your family.

Tell it to your wife.

Tell it to your husband.

GOD will bless you for it.

Amen. Amen. Amen.

GOD GOD GOD

» GOD must be listened to with all carefulness. Keenly and vigorously, **as we are prodigal sons and daughters, we should listen to Him.** We should follow His ways.

Failure to do so, what happened to our ancestors for forty years in the desert will happen to us, in different forms. The forty years to us of today can be among the following:

- 1) The endless wars between nations
- 2) The endless wars among tribes
- 3) The endless wars of greed – fighting for what does not belong to us
- 4) The endless wars on our different continents
- 5) The different wars of Ebola and HIV/AIDS
- 6) The different wars of poverty
- 7) The different wars of refugees
- 8) The different wars of unemployment
- 9) The different wars of Forex instability
- 10) The different wars in academics

- 11) The different wars of rebellious children and drug abuse
- 12) The different wars of Gay-ism and same sex unions
- 13) The different wars of uncertainty
- 14) The different wars of earthquakes
- 15) The different wars of floods
- 16) The different wars of volcanoes
- 17) The different wars of tornadoes
- 18) The different wars of tsunamis
- 19) The different wars of hurricanes
- 20) The different wars of mudslides
- 21) The different wars of wild fires
- 22) The different wars of avalanches
- 23) The different wars of droughts
- 24) And many others you hear of.

All what are happening to you: cross examine yourself. Cross examine the family's relationship with GOD , always remembering what JESUS said in Luke 13:1-6: **Repent**. Then, and then, start a new spiritual chapter in your life.

Amen Amen Amen.

Then, upon then, people of GOD ,
you and me, you and your family,
must bring about every seriousness of spirituality,
telling your very self, enough is enough,
of the wrongs you have done against GOD ,
of the wrongs you have done against your fellow
mankind.

You and me, you and your family members, we should
make a vigorous repenting to our Lord and our GOD , by
keeping all of His Ten Commandments, by keeping all of
His Decrees and His Statutes:

- 1) Totally embracing **holy dialogues with our Lord
and our GOD** in the whole of your lives.
- 2) Totally embracing **the shaking-off of all the
earthly dust you have accumulated.**
- 3) Totally embracing **the coming out from the dark,**
to live in light with GOD , within His Ten
Commandments.

- 4) Totally embracing **the holy fear of the Lord**, who is our Lord and our GOD , the I AM WHOM I AM. (Read Deuteronomy chapter 5, Deuteronomy chapter 6, Leviticus chapter 26)

- 5) Totally embracing **a wholly true Catholic way of life**, by following all of the Catholic doctrines of our Lord and our GOD .

- 6) Totally embracing **a very deep holy way of understanding GOD** , of understanding His Decrees, of understanding His Statutes, and of serving and loving Him wholeheartedly.
 (Read Isaiah chapter 55,
 Sirach chapter 1, Sirach chapter 2,
 Ecclesiastes chapter 7, Ecclesiastes chapter 8,
 Ecclesiastes chapter 9, Ecclesiastes chapter 10,
 Ecclesiastes chapter 11, Ecclesiastes chapter 12,
 Wisdom chapter 6, Wisdom chapter 7, Wisdom chapter 8,
 Wisdom chapter 9:1-18 which was King Solomon's prayer to GOD for the gift of wisdom
 Matthew 25:1-46)

- 7) Totally embracing **the return to Him**, who is our Lord and our GOD , in prayers, in fasting, in going to attend the daily Holy Mass if you live or work near the Church, in reciting your daily Rosary, in reading

the Bible daily, in doing good deeds (spiritual and temporal).

- 8) Totally embracing **the spiritual humbleness before GOD , the physical humbleness before people**, the spiritual humbleness before all the Ten Commandments of GOD , and all of His Decrees and Statutes.
- 9) Totally embracing **rigorousness of the search for GOD** , of the search for His only begotten SON our Lord JESUS CHRIST, of the search for the holy Paraclete, GOD THE HOLY SPIRIT, in the entire life of yours.
- 10) Totally embracing **the desire to glorify GOD** , the desire of praising GOD , the desire of venerating GOD , and the steadfast desire of walking with Him, in all the days He will allow you to live in this world,
 - ❖ for He is the creator of each and everything we see, and what we have never seen,
 - ❖ for He is the Alpha and Omega,
 - ❖ for He is ABBA FATHER,
 - ❖ the GOD of Abraham,
 - ❖ the GOD of Isaac,

- ❖ the GOD of Jacob,
 - ❖ the GOD of Elijah.
- 11) Totally embracing **the serving, wholeheartedly, of Him our Lord and our GOD** , with all our heart, with all our mind, from the bottom of our heart, for He created us all in this world, to serve Him, to praise Him, to give Him glory, all the days of our lives. The wonderful Lord, the creator of the Heavens and Earth.
- 12) Totally embracing **your personal adoring of GOD within your heart, and your personal presence at Adoration of the Son of GOD JESUS CHRIST in The Blessed Sacrament.** GOD , to you and to me, He needs our wholesome meditation on Him. The Cherubim and Seraphim in Heaven do the same. The Angels and Saints adore Him. Too, you and me, too, you and your family, we have to adore Him while we are in this world, all the days of our lives, for He is the Lord and GOD , who created the Heavens and Earth. **(Read Genesis chapters 1 and 2)**

May His holy name be blessed in Heaven and on Earth,
