"Are the events and details of Jesus' life told here true? I got my 'yes' answer as I compared them with the life of Jesus as I had learned it from the gospel, church

teaching and tradition. To imagine the events told here without an interior vision would be as easy as writing the gospels without Divine assistance.” - Richard T McSorley S.J. - Theologian

By Alan Ames - www.alanames.org

The deceit of evil is widespread in the world today so people should be very careful as to what they accept as truth.

7) **The Battle for Lives and Souls**
By Alan Ames - www.alanames.org

Often what seems good hides the evil within, and evil, by using this tactic, can enter into the lives of good people and societies and change them for the worse. When hidden in the appearance of good, obvious wrongs can gradually become accepted by society and no longer seen for the evil they are. Darkness turns upside down the perception of mankind so that what is evil can seem good and what is good can seem evil. Looking back over the past decades it becomes apparent how morals have been corrupted by the acceptance of what seems harmless and good on the surface but beneath is in fact toxic and soul destroying. Evil raised its sign and people embraced this sign, unaware of what they were truly embracing. Today, because of this, so many suffer, lives of the

innocent are destroyed and seen as worthless, many do not know what morals are and families and societies fall apart. Yet, the solution to this is there. Peace can reign in the world. All can be happy. Suffering can be overcome. The solution is in the eternal truth of God, Jesus, The Lord.

By Alan Ames - www.alanames.org

As the world spins in confusion and uncertainty a great amount of suffering is inflicted upon mankind. This suffering is brought about by the blindness mankind has to the way it lives and the price that is demanded by evil for living this way. Very clearly and without reservation the corruption of evil in the world is exposed and how to overcome this corruption is shown in the better way of life that God calls each one to.

13) **The Lord of Love**

With clear and gentle direction and encouragement the Lord guides each one back to the life they were created to live. He also reminds people over and over that no matter how far they may have strayed from the way of true life that He is always prepared to forgive each person and to welcome them with a tender embrace of love into His eternal glory.

14) **In the Spirit of Love**
By Alan Ames - www.alanames.org

Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames' life.

Reading and reflecting on the words people will be deeply moved by the love, the tenderness and the kindness in which God reaches out to all of us. His words explain, sometimes in mystical and deeply spiritual ways but always with simplicity, the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church.

It is amazing that the almighty God would love mankind so much that He sent His only Son, Jesus, to suffer and die for us. This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places, brings those who will be open to it, to a close relationship with Jesus on the cross of love.

15) **Experiencing God**
By Alan Ames - www.alanames.org

It is the love of God that once it touches a heart and soul brings that person to goodness. Once accepted the love of God changes a person either in a little or large way according to what is needed. His Divine love opens up and reveals the truth of God, of life and of existence. God's love removes, if accepted by the person, the fog of confusion, doubt and uncertainty that evil tries to envelop all in. God's love is a refreshing breeze of truth, it is the wind of clarity that blows away the smog of sinfulness.

This book has already helped many people in their journey to heaven and the love of God because of that it is now priced so that it can be given away to others to help them. Alan encourages people to give away as many as possible and to maybe give copies to parishes to give out to parishioners.

25) Healing Rosary with pamphlet By Alan Ames - www.alanames.org

“The Lord said that He was going to give me a meditation on the rosary which was to be given to all, explaining later that it was:

For those who found it difficult to pray the rosary when the Sacrament was exposed;

For those who didn't pray the rosary as they thought they were praying to Our Lady, when in fact they were praying with Our Lady, to Jesus. It showed these people that the rosary centres around Jesus.

It was also for those who doubted the bread and wine of Communion is the Lord's Body and Blood.

Those who found it difficult at times to pray the rosary; this would help as it is a simple, uncomplicated meditation.”
