---

**GOD      GOD      GOD**

*The Divine Source and Supreme Maker of Wisdom*

**VOLUME 1**

**GOD      GOD      GOD**

The Holy Father, the holy divine moulder, of all what we see and of all what we have never seen, and of all of those we shall never see. May He be blessed in Heaven and on Earth.

**GOD      GOD      GOD**

Holy upon holy, supremely divine, and wonder-maker, the source of all in Heaven, the source of all what is in the world. He is to be praised, He is to be glorified, for he created Wisdom. May His holy name be blessed in

the Heavens, and may His holy name be blessed on Earth.

Endlessly, and joyfully, may we, mankind of all races and of different social classes, sing His praises, with all our heart and with all our mind, as the Psalms say. Our grandfathers, our ancestors, Abraham, Isaac, Jacob: they did praise Him. You and me, you and your family, you and your fellow parishioners, you and your fellow countrymen, with all your total goodness, may you glorify The Most High Lord and GOD .

Use the goodness of the gift of wisdom, in order to praise and glorify GOD . Use the entire of your very self, soul and body, to glorify The Most High. Chant slogans of praises and of honours to GOD within your heart, within your family, within your society, thanking GOD , blessing His name, for He is the source of wisdom, and creator of it. Love Him for this, praise Him for this, and these below Psalms will help you so much in praising, in glorifying, The Living GOD , the GOD who created you, the GOD who created your grandparents, the GOD who created the whole universe. He is to be praised and glorified.

These Psalms will assist you greatly:

Psalm 1, Psalm 9,

Psalm 18, Psalm 26, Psalm 30,

Psalm 33, Psalm 34, Psalm 65, Psalm 67,

Psalm 92, Psalm 100, Psalm 104, Psalm 111,

Psalm 112, Psalm 103, Psalm 113,

Psalm 133, Psalm 134, Psalm 135, Psalm 136,

Psalm 138, Psalm 145, Psalm 146.

And I beg to quote for you Psalm 145 which says:

**“The Greatness and Goodness of GOD.**

I will exalt you my God and my king, I will bless your name forever.

Every day I will bless you, I will praise your name forever.

Great is the Lord, and worthy of high praise.

God’s grandeur is beyond understanding, one generation praises your deeds to the next, and proclaims your mighty works.

They speak of the splendor of your majestic glory,  
tell of your wonderful deeds.

They speak of your fearsome power, and attest to  
your great deeds.

They publish the renown of your abounding  
goodness, and joyfully sing of your justice.

The Lord is gracious and merciful, slow to anger and  
abounding in love.

The Lord is good to all, compassionate to every  
creature.

All your works give you thanks, O Lord, and your  
faithful bless you.

They speak of the glory of your reign, and tell of your  
great works.

Making known to all your power, the glorious  
splendour of your rule.

Your reign is a reign for all ages, your dominion for  
all generations.

The Lord is trustworthy in every word, and faithful in  
every work.

The Lord supports all who are falling, and raises up  
all who are bowed down.

The eyes of all look hopefully to you, you give them  
their food in due season.

You open wide your hand, and satisfy the desire of  
every living thing.

You, Lord, are just in all your ways, faithful in all your works.

You, Lord, are near to all who call upon you, to all who call upon you in truth.

You satisfy the desires of those who fear you. You hear their cry and save them.

You, Lord, watch over all who love you. But all the wicked, you destroy.

My mouth will speak your praises, Lord. All flesh will bless your holy name forever.”

The above Psalms, among others, wakens up our mind, we mankind, in giving praise and honour to our Creator.

The lovely Psalm 149 demands you and me and our families to praise GOD with songs and swords of our human praises, swords of our deepness of joys to our GOD , swords of our human meditation on how great is our GOD .

- 1) He is the supreme source of our lives.
- 2) He is the supreme source of our understanding.
- 3) He is the supreme source of our hopes.

- 4) He is the supreme source of our Joys.
- 5) He is the supreme source of our being knowledgeable.
- 6) He is the supreme source of our hearing.
- 7) He is the supreme source of our seeing.
- 8) He is the supreme source of our talking.
- 9) He is the supreme source of our walking.
- 10) He is the supreme source of our sitting down.
- 11) He is the supreme source of our being blessed.
- 12) He is the supreme source of our being anointed.

Therefore, you and me, mankind, wherever you are in the four corners of the world, we must deepen ourselves totally upon totality, in our praises of GOD , in our giving glory to GOD , hour by hour, day after day, from age to age, until the end of the world.

Beloved ones, people of GOD , my sisters and my brothers, worldwide, get accustomed, get acquainted, in

praising and in giving thanks to GOD , who is our Lord and our GOD :

- 1) For He is the author of wisdom.
- 2) For He is the source of wisdom.
- 3) For He is the founder of wisdom.
- 4) For He is the guardian of wisdom.
- 5) For He is the defender of wisdom.
- 6) For He is the holy distributor of wisdom.

Keep asking Him, keep begging Him, and keep yearning:

- ~ for His holy wisdom to be upon you,
- ~ for His holy wisdom to be upon your children,
- ~ for His holy wisdom to be upon your spouse,
- ~ for His holy wisdom to be upon your entire family,
- ~ for His holy wisdom to be upon your entire lineage,
- ~ for His holy wisdom to be upon fellow parishioners,
- ~ for His holy wisdom to be upon your fellow members of your Diocese,
- ~ and for His holy wisdom to be upon your fellow countrymen.

Day after day, hour by hour, year after year, until GOD will call you to Heaven, be so prayerful, as in order to be blessed with wisdom by our Creator, our Lord and our GOD . With double amounting of prayers coming from you,

- i. Stand in the gap of others, of those who are not prayerful, as for them to be blessed with wisdom.
- ii. Stand in the gap of those who are reckless and careless in their spirituality, though they have the gift of life, but somehow they are mixed up, they cannot tell themselves what the gift of wisdom is. They cannot search for it.
- iii. Stand in the gap for those who are stagnant on our spiritual journey.
- iv. Stand in the gap for those who are not aware that there is GOD .
- v. Stand in the gap of those who knew and had heard of GOD , but in the course of life, their GOD became football and drunkenness.
- vi. Stand in the gap of those who are unbaptized.
- vii. Stand in the gap of those who are not yet born.

- viii. Stand in the gap of those who will be born many years to come.
- ix. Stand in the gap for those who will surface in this world when you and me, we are gone long ago.

You will be blessed by GOD . By begging Him, in an endless begging, that of those handmade of His (people) He blesses them with wisdom.

For this reason below (among the many):

1) Due to the lack of wisdom, which comes to mankind as a gift of GOD Himself to the person:

- » mankind lives in agitation,
- » mankind lives in confusions,
- » mankind lives in quarrels,
- » mankind lives in fighting (different fights with different names)
  - for example fighting for my right,
  - for example fighting for my freedom,
  - for example, fighting for my clan,
  - for example fighting for my territory,
  - for example fighting for my plot,
  - for example fighting for my language,

- for example fighting for my size
- for example fighting for my education, as if your education is the one which created you.

2) Mankind all over the world, we are so wicked, because we lack wisdom. Instead of fighting to know GOD , we are fighting in the name of our territories, of which, (a) biologically and scientifically, none of us existing, neither of our grandparents, ever helped GOD with one wheelbarrow of soil or sand or stones, in the creation of what we are fighting for and (b) in a thousand years time from now, none of your family or clan or tribe may still be in the territory you are fighting for, for they will be where GOD Himself, the author of wisdom, has ordained that they will be,

***but due to lack of wisdom which comes from GOD , we are killing one another in the name of our territories, in the name of our superiorities, in the name of our advancements.***

For example Hitler of Germany, Mussolini of Italy, Napoleon of France, Emperor Bokassa of Central Africa, Fidel Castro of Cuba, Mao Tse Tung of China, and thousands of others in the names of presidents, kings, chiefs of clans, of villages, etc.

All the havoc and pain afflicted to man in the seven continents under the sun, have been caused due to lack of wisdom, which wisdom comes from GOD .

3) Different ammunitions worldwide have been produced to crush and pour blood, due to lack of wisdom.

In the medical line, worldwide:

i) Abortion pills are manufactured by human beings, the so called pharmacists, in order to kill an innocent child. Do these so-called pharmacists have wisdom which comes from GOD ??

- ii) In the medical world still, skillfully, the scientists are inventing highly professional instruments for crushing and destroying a defenseless child of GOD in the womb of its mother. Then and then, these scientists, do they have wisdom which comes from GOD ??
- iii) Worldwide, doctors who ever went to school, are busy killing innocent babies in the name of abortion, in the name of getting blood money, in the name of Women's rights, crushing generation upon generation: do they have wisdom?? Will they ever enter Heaven? Question to them, will they ever enter Heaven??
- iv) And as for those women committing the crime of Abortion, in case they do not repent and get a confession, will they ever enter Heaven??
- v) And also those women who force their children to commit abortion or take the pills etc will they ever see the door of Heaven??

## REMARKS

- a) Worldwide, men, mature and young, are number one instruments - contributors in these demonic murders, using different forms of conditions, towards their wives in their marriage, for example:
- ~ if you produce more than two children I will chase you away – I don't want them,
  - ~ or saying If you give birth to so many children, I don't have money for their education, (as if everyone educated in this world is employed).
- b) Too the so-called International organizations and so-called big companies in the world, determining the number of children for their workers, in terms of the medical, education and insurance package, and putting pressure on families to use artificial birth control methods etc. And they are called reputable international institutions or bodies. Do the bosses of these so-called international institutions or companies have wisdom which

comes from GOD ? In case if they do not repent, come what may, they will go to the hottest place of Hell, and they will find themselves face to face with Lucifer and his millions of demons, who are the key planners of these murders, using the ignorance of mankind and the lack of wisdom.
