## GOD GOD GOD

*The Divine Source and Supreme Maker of Wisdom*

### VOLUME 2

1) People of GOD , children of GOD , you and me, created in GOD 's image, created without requesting GOD to create any one of us, you find yourself born, through the divine medium which GOD put as the process for human beings to come into the world, and **which Earth is not anyone's property, apart from GOD Himself, Who GOD Himself, knows how to control it, how to feed the inhabitants, for He is the SOLE PROVIDER.** But then, demonically, and stupidly, one sits in WHO or a team of them from various UN bodies like UNFPA, FAO, World Bank, IMF, etc, they sit and they design extermination of mankind, in the name of "people

cannot be fed”, “the different societies cannot grow enough food”:

- a) You wonder whether these so-called bodies sat with GOD to discuss with Him how many people should be on Earth.
- b) You wonder whether these co-called bodies are the advisers of GOD .
- c) You wonder where did they get the powers of exterminating human beings, while for them when they fall sick, they run to the hospitals in order to save their lives. Too, when HIV/AIDS, Ebola, tornadoes and hurricanes, volcanoes and earthquakes, etc. start wiping out people, they are the first to start running about, supposedly saving lives, when they are killers number one.

***How much has the devil used them, in the name of “too much population”, as if they are the owner of this world, as if they sit and discuss with GOD in Heaven about human population.***

And many more as if ... as if ... as if....

One day they will find themselves in the hot fires of Hell, face to face with the devil, who is masterminding the extermination of innocent human beings.

World Bank, UN bodies, they are holding different countries at ransom by saying if you do not do this about your population, we shall not give you these funds.

***They have professionally and demonically hooked different countries, forcing them to exterminate innocent children, forcing them to do artificial birth control countrywide, in order to become eligible for fund A or fund B or fund C.***

They are holding big positions in office in order to murder and to murder! Now the biggest question to you and me, who is GOD-fearing, to you and me, who have upright-thinking, do these so-called officers, these so-called

intellectuals in the UNFPA, these so-called doctors of WHO, do they have senses, and do they have wisdom?? They are more brutal than Hitler of Germany. Then one day they will have to answer to GOD .

2) Children of GOD , people of GOD , you and me of goodwill and good understanding, let us share this reality of life. This reality about the seven continents, starting with Africa.

Consider the entire Africa from Cape Town, South Africa, to Maputo, Mozambique, and to Dar es Salaam of Tanzania, and Mombasa of Kenya, up to Mogadishu of Somalia, up to Djibouti of Djibouti, then to Alexandria of Egypt, and to Tunis of Tunisia, then to Casablanca of Morocco, then Monrovia of Liberia, down to Freetown of Sierra Leone, up to Abidjan of Ivory Coast, up to Pointe Noire of Congo Brazzaville, then to Kinshasa of the D R Congo, to Luanda, Angola, down to Windhoek of Namibia, and back to Cape Town of South Africa: All the tribes

therein, created by GOD , the Mamas of these regions, if they do not commit abortion, or use any kind of birth control, they can comfortably give birth, by the grace of GOD , to between 5 to 8 to 10 children each. In Congo alone, I personally talked with a Mama in a town called Lubumbashi, and she told me she gave birth to 18 children. And she told me, all were alive, with enough to eat, and a spacious shelter where to live. Then to you and me, what a miraculous GOD , who created us, and who created them. How can we, mankind, of 70kg in our small trousers and dresses, how can we try to direct GOD and guide GOD , how, how, how?

Five hundred years ago, did World Bank and IMF and UN ever guide GOD ? Another thousand years from now, will they be around to direct GOD and interpret His divine works? You and me, who believe in GOD and we are upright upstairs, worldwide, we should go on our knees to beg The Most High Lord and GOD to open the eyes and minds of these so-called world bodies, who are, in

the name of population control, are exterminating people as Pharaoh and Herod, Hitler, Mussolini , and Napoleon, Emperor Bokassa and many others, killed and exterminated for various reasons.

*Beloved ones of GOD in the four corners of the world, may we team up in wholesome prayers, novenas, rosaries and fastings, vigils and Adoration of The Blessed Sacrament, to beg The Most High to open the eyes and understanding of the bosses of these so-called International Agencies who are murderers in disguise.*

Children of GOD , anyone concerned, who has a heart of flesh and not of stone, and is full of wisdom from GOD , look down with keen eyes, on these

below statistics of professional large-scale murder by these organizations, and you will wonder how this is taking place when mankind we are watching.

**Extermination of people, as Pharaoh in his time, then Herod in his time and then Hitler in his time, they did on the Jews.**

**Those of the past did 1 over 1 million, and those of today, through the already**

**mentioned UN bodies, are concluding the work which started with Pharaoh and**

**Herod and Hitler.** In our different social status and circles, may we fight these murderers and GOD will bless us.

The statistics are as follows:

## *IMPLICATIONS OF ABORTION AND BIRTH CONTROL ON FUTURE GENERATIONS IN YOUR LINEAGE*

<b>TOTAL MISSING CHILDREN IN 2517</b>		<b>88,888,888,888</b>	<b>(AFTER 500 YEARS)</b>

# WARNING

A FIFTY YEAR OLD MOTHER WHO HAS BLOCKED HER 8 CHILDREN FROM BEING BORN WILL HAVE TO ACCOUNT FOR APPROXIMATELY 90 BILLION MISSING CHILDREN AFTER 500 YEARS

Contrary to this, several countries are now experiencing a decline in total population and /or a negative population growth. These include Germany and several others in Europe, Japan, Russia. The masterminders are seeing these negativities, but they are demonically stubborn and refusing to stop the large scale massacre of unborn children. All these demonic actions are due to lack of wisdom which comes from GOD . For anyone who has wisdom which comes from GOD , cannot fight GOD .

3) For anyone blessed with this special gift, wisdom, will live a blessed and peaceful life.

One without this special gift, wisdom:

- » becomes not himself,
- » becomes not valid,
- » becomes not recognized, though he wants to be recognized,
- » becomes not respectable, though he wants to be respected,
- » becomes not to be welcomed, though he wants to be welcomed,

- » becomes not resourceful at all, though he wants to be recognized as being resourceful,
- » wants to be a friend of the people, when he is actually poisonous, demoniac, agitated, a trouble maker to the people.

What can be talked, and expounded and finished about a person who has no wisdom? A lot, a lot, a lot can be talked, until you cannot talk any more.

You and me, beloved ones of GOD , wherever you are, yearn upon yearning for wisdom, beg GOD wholeheartedly, as to be blessed with wisdom, as your children to be blessed with wisdom, as your clan members to be blessed with wisdom, as your fellow people in all your areas of operation to be blessed with wisdom.

Blessed ones of GOD , beloved ones of GOD , those who are longing one day to enter Heaven, you and me, you and your family, we have got to honour GOD beyond, for this gift of wisdom. We have got to praise our GOD

and our Lord, for this gift of wisdom. To you and to all of the race of mankind, we have got to give glory to Him endlessly.
