## GOD GOD GOD

*The Divine Source and Supreme Maker of Wisdom*

### VOLUME 3

## GOD GOD GOD

As the author of wisdom, He gave proportionally, understanding, to different people of different centuries, in order for knowledge to be used to beautify the times and the world. But on top of this, He waits for us mankind, through prayer, to request Him, to beg Him, to give us wisdom, because though one may have knowledge, but without wisdom which comes from GOD , his being knowledgeable becomes a catastrophe to himself and to fellow mankind, as in the case of Pharaoh, King Herod and Hitler.

Day after day, keep on begging GOD , the author of wisdom, to embrace you with His wisdom, to embrace

your family with His wisdom. You and me, may we keep on begging Him as well, our fellow mankind, those who are lukewarm in prayers, of begging GOD for this gift of wisdom, so that GOD too gives them the gift. As King Solomon says in the book of Wisdom chapter 6 verse 22 to verse 25, then chapter 7 verse 1 to verse 30, as well as chapter 8 verse 1 to verse 21, and chapter 9 verse 1 to verse 18, which is the very very prayer King Solomon prayed to have wisdom. But I beg to quote chapter 7 verse 1 to verse 9 as follows:

**“Solomon is like all other men.**

I too am a mortal man, the same as all the rest, and a descendant of the first man formed on earth, and in my mother’s womb I was moulded into flesh. In a ten-month period, body and blood, from the seed of man, and the pleasure that accompanies marriage. And I too when born, inhaled common air and fell upon kindred earth, wailing, I uttered the first sound common to all. In swaddling clothes and with constant care, I was nurtured. For no king has

any different origin or birth but one is the entry into life for all and in one same way they leave. **Therefore I prayed, and prudence was given to me. I pleaded, and the spirit of wisdom was given to me. I preferred her to scepters and thrones, and I deemed riches nothing in comparison with her, nor did I like any precious gem to her, because all gold in view of her is a little sand; and before her, silver is to be accounted mire. Beyond health and comeliness I loved her and I chose to have her rather than the light. .... “**

For example, imagine, if Solomon, who was a king of the chosen people of GOD , saw that He was lacking wisdom, how about you and me, how about those leaders of the so-called international and multinational bodies and super-power nations like the UN, World bank, IMF, the G5 etc. King Solomon prayed, do they pray? Do they know the door of the church? Do they even ever read a Bible? And in their vocabulary is there a holy name: GOD ?

They less know because they are lacking wisdom, that the author of life, that the author of what we see with our eyes in the world, is the I AM WHOM I AM , who gave them the blood in their bodies, who gave them the eyes they are using to see, and then fight Him, our Lord and our GOD . In case if they do not repent, the hottest place possible in Hell is waiting for them, for all eternity they will go and live in Hell.

**GOD GOD GOD**

The author of life and the author of  
wisdom.

May He be praised with all the heavenly  
beings.

May all the Cherubim and Seraphim and all  
the Angels and Saints, be led by Mother  
MARY in giving praise and honour to Him  
for He is GOD and Lord Amen and Amen.

GOD GOD GOD

In His total goodness, gave to all mankind different knowledge in order to go about life, and in His total divine goodness, He gave to different beasts different understanding to go about their day to day living, including fishes and birds, he proportioned worthwhile understanding for each to live. We ought to thank Him and praise Him and give Him glory.

GOD GOD GOD

His nature is so divine.

His nature is holy.

His nature is magnificent upon magnificent.

In the book of Genesis chapter 1 verse 1 to the end, the Bible says when He was creating the Earth He just said let it be, and it was done. Chapter 1 verse 6

“Then GOD said, ‘Let there be a dome in the middle of the waters to separate one body of the water from the other.’ and so it happened. GOD made the dome and it separated the water above the dome from the water below it. GOD called the dome the sky. Evening came and morning followed, the second day.

Then GOD said, ‘Let the waters under the sky be gathered into a single basin so that the dry land may appear.’ And so it happened. The water under the sky was gathered into a basin, and the dry land appeared. GOD called the dry land the earth. And the basin of the water He called the sea. GOD saw how good it was. ... “
