GOD GOD GOD

- ❖ The I AM WHOM I AM
- ❖ The source of wisdom
- ❖ The source of knowledge
- ❖ The source of understanding

Must be given glory

GOD GOD GOD

- ❖ The source of blessings

Must be praised

GOD GOD GOD

- ❖ The creator of Heaven and Earth

May our holy Mother MARY in Heaven, the Mother of the only SON OF GOD, lead all the Cherubim and Seraphim, lead all the Angels and Saints, as to give glory to The Most High, who is our Lord and our GOD forever and ever Amen.

- » You and me here in this world, in our different walks of life, may we give Him endless glory, as Abraham, Isaac and Jacob praised and glorified Him, may we do the same.
 - » May our minds and our understanding, which are a gift from Him our GOD , be used at all times to give Him glory and honour.
 - » Rich and poor, educated and non-educated, honourables and non-honourables, may we praise Him as King David and King Solomon praised Him.
-
- » Beloved ones, servants of GOD , children of GOD , do not cheat GOD of His praise and honour and glorification which are to come from you, His handmade. Avoid the endless crimes of all kinds under the sun by being closer to GOD , for GOD loves you so much.
-
- » People of GOD , children of GOD , you and me, we scramble for earthly riches, we cheat one another for material gain, and we have sleepless nights. For all of that read:
 - a. Ecclesiastes 4:1-17 **Vanity of toils**
 - b. Ecclesiastes 8:1-18 **Man does not know what is to come**
 - c. Ecclesiastes 10:1-20

d. Ecclesiastes 11:1-10

e. Ecclesiastes 12:1-14 **Remember your creator in the days of your youth before the evil days come**

It will be more than sad to you and to me to have been created, baptized, mature and old, and we end up in hell.

It is absurd to hear and to see people who believe in Satan. You wonder whether they are human beings created by GOD or not.

Instead of giving glory to GOD alone and alone, men of today are glorifying other more than useless things:

- » for example football,
- » for example wars
- » for example drinking alcohol
- » for example immorality
- » for example birth control
- » for example witchcraft, voodooism, sangomas
- » for example same-sex (gay) unions
- » for example sports betting and gambling
- » for example drug abuse

How reckless, and how disappointing have we become, mankind, before GOD , our Creator.

Ask yourself, as to where are we going. Where is your family going? We are perfecting recklessness, and giving it different names and using different reasoning. Blindness of different kinds is everywhere in the world. In the so-called big offices, and in the remotest of the remote,

we are all busy making our golden calf and we are all busy building our tower of Babel of different sizes, different models, mention it:

- » For example, GAY (SAME SEX) UNIONS – that is proper madness.
- » For example, Abortion – that is proper murder.
- » For example, on Sunday people go to watch very big highly publicized football matches, instead of going to church – that is an abomination.

You wonder, when you sit down and meditate on the state of the world of today, you fail to give it a proper name, no wonder the hurricanes, earthquakes, tsunamis, tornadoes, avalanches, mudslides, floods, droughts, wild fires, Ebolas, HIV AIDS, wars: they are on the rampage, wiping away the imprudent mankind.

Educated and non-educated, young and old, rich and poor, those in the G8 countries, those in the G20 countries, and those in the developing world, are all suffering and perishing in the same way on a daily basis:

- » Where is the world of GOD going?
- » Where is the wisdom of GOD in us mankind any more?
- » Where is the fear of GOD in us mankind?
- » Where is the knowledge of GOD in us mankind?
- » Are we the very ones He created in His own image anymore?

We are almost reaching to a level, if we are not careful, and if we do not make a U-Turn to GOD , we are reaching a level of the Israelites when they were sent into slavery to Babylon.

We, mankind of today, we are reaching a level of the Israelites in the desert, of deciding to make a golden calf, though they had seen the hand of GOD during their liberation from slavery in Egypt.

Question to you and question to your family:

- 1) How many golden calves do you have in your television, in the form of immoral episodes and football matches?
- 2) How many golden calves do you have in the form of novels and other worldly and immoral publications?
- 3) Question yourself how many golden calves in the form of mini-skirts and scandalous dresses do you have in your wardrobe?
- 4) Question yourself how many golden calves in the form of stories you have in your mobile phone?
- 5) Question yourself how many golden calves do you have in your fridge in form of beers, whiskies and Amarula?
- 6) Question yourself how many golden calves do you have in your bad language of today?
- 7) Question yourself, how many golden calves do you have in your eyes, in terms of looking at useless things, desiring other people's things?
- 8) Question yourself, how many golden calves do you have in your country's parliament, in terms of passing popular laws which are against GOD ?
- 9) Question yourself, how many golden calves do you have in your country's hospitals, in terms of daily abortions done by professional doctors and their medical teams?
- 10) Question yourself, how many golden calves do you have in your country's schools, in terms of giving education which is Godless,

and is therefore producing a generation of thieves, rebels, drug abusers - disobedient, immoral, violent youth who are against GOD ?

- 11) Question yourself, how many golden calves do you have in your country's business community, in terms overcharging, producing sub-standard or damaged goods, cheating in all forms?
- 12) Question yourself, how many golden calves do you have in your country's political world, in terms of false promises, manipulating the masses, and inciting hatred against others?
- 13) Question yourself, how many golden calves do you have in your country's manufacturing industries in terms of ammunition of all sizes?
- 14) Question yourself, how many golden calves do you have in your country's manufacturing industries in terms of chemicals to murder innocent children in the mother's womb?
- 15) Question yourself, how many golden calves do you have in your countrymen's thinking and reasoning?
- 16) Question yourself, how many golden calves do you have in your country's leaders in the form of bad decision making?
- 17) Question yourself, how many golden calves do you have in your country's international bodies in the form of misleading mankind from GOD 's ways to earthly ways, for example UN Population Control programme, electronic identification chips, and godlessness in enforcing rules and policies against freedom of conscience and freedom of worship, for example the UN WHO support for Abortion and birth control, and UN sanctioning abominations such as same sex unions.

- 18) Question yourself, how many golden calves do you have in your country's cities, for example immorality, entertainments, sports betting and gambling etc?
- 19) Question yourself, how many golden calves do you have in your country's marriages, in the form of infidelity and divorce, fights over money and property and children?

We have become so godless to a level you cannot imagine.

We have become so reckless in all our reasoning and our doings.

That is why today in the world at large, from North to South, from East to West, there is no more peace, in each home, in each clan, in each society, in each country under the sun, and you find all the different types of calamities and disasters. For example:

- 1) Disaster of poverty
- 2) Disaster of marriage
- 3) Disaster of infidelity
- 4) Disaster of sicknesses
- 5) Disaster of depressions
- 6) Disaster of anger
- 7) Disaster of political confusion
- 8) Disaster of economic confusion
- 9) Disaster of oil price fluctuation
- 10) Disaster of forex instability
- 11) Disaster of refugees
- 12) Disaster of joblessness
- 13) Disaster of accidents

- 14) Disaster of child labour
- 15) Disaster of wars
- 16) Disaster of rebellious youth
- 17) Disaster of land wrangles
- 18) Disaster of drunkenness
- 19) Disaster of drug abuse
- 20) Disaster of football addiction
- 21) Disaster of television addiction
- 22) Disaster of wealth addiction
- 23) Disaster of child-parents
- 24) Disaster of corruption
- 25) Disaster of slave labour (hidden slave trade in labour)
- 26) Disaster of Climate Change
 - ~ Earthquakes
 - ~ Volcanoes
 - ~ Drought
 - ~ Floods
 - ~ Tornadoes
 - ~ Hurricanes
 - ~ Mudslides
 - ~ Avalanches
 - ~ Tsunamis
 - ~ Hailstorms
 - ~ Wild fires
 - ~ Sink holes
 - ~ Air pollution

And so many other disasters.

How many they are today in your country, in your society, in your clan, in your family.

When you think using the wisdom of GOD , you will see the thousands of disasters there are in the world today, and it is us mankind, starting with those in the G8 countries, downwards, we are perishing, and we are experts in accelerating our perishing.

Therefore, you and me, you and your family, you and your clan, you and your countrymen, we have got to make a determined U-Turn to GOD and GOD 's ways

- 1) A U-Turn to GOD 's commandments
- 2) A U-Turn to GOD 's guidance
- 3) A U-Turn to GOD 's mercy
- 4) A U-Turn to GOD 's goodness
- 5) A U-Turn to GOD 's salvation
- 6) A U-Turn to JESUS in The Blessed Sacrament
- 7) A U-Turn to GOD in prayer
- 8) A U-Turn to GOD in fasting
- 9) A U-Turn to GOD through the holy rosary of Mother MARY
- 10) A U-Turn to GOD through different novenas
- 11) A U-Turn to life in GOD THE HOLY SPIRIT
- 12) A U-Turn to knowledge of GOD

13) A U-Turn to the understanding of The Most High who said to Moses these blessings: Deuteronomy 28:1-14, Leviticus 26:1-13, Isaiah chapter 55 and chapter 56.

Therefore, and therefore, you and me, you and your family, you and your clan, you and your society, you and your countrymen, turn to the Lord our GOD , without delay, without any hesitation, without any debate.

Carefully, beloved ones of GOD , read below what JESUS talked about teamwork, commitment, focus, accuracy, timeliness and self-sacrifice of the bees.

In the book **POEM OF THE MAN-GOD** in chapter 563, which is titled (**Samwel, Judas of Kerioth and John, Parable of the bees**), in this chapter, when you read it you will reach to where JESUS Himself explains about the bees, and I kindly beg to quote Him:

“And when He is alone with His two Apostles He says: ‘To the workers of God in particular I propose the bees as their model. They deposit in the secrecy of

the beehive the honey formed in their interiors through their unremitting work on wholesome corollas. Their fatigue does not even appear to be such, as they do it with so much goodwill, flying, like golden dots, from flower to flower, and then, loaded with juice, going in to elaborate their honey in the privacy of their little cells. People ought to imitate them, choosing lessons, sound doctrines, and friendships, capable of producing juices of the true virtues, then living in isolation to elaborate, using what has been actively gathered, virtues, justice, which are like the honey extracted from many wholesome elements, of which one of the most important ones is goodwill, without which the juices collected here and there would be of no use. It is also necessary to meditate humbly in the secrecy of one's heart on the good we have seen and heard, without being envious if queen bees are nearer working bees that is, if there is someone who is more just than he who meditates. Both queens and workers are necessary in the beehive. It would be a disaster if they were all queens, or all workers. Both the former and the latter would die, because the queens would have no food to procreate if there are no workers, and the workers would no longer exist if the queens did not procreate. And the queens are

not to be envied; they have their work and their penitence. They see the sun but once, in their only nuptial flight. Before it and after it, they are in perpetual seclusion within the amber-coloured walls of the beehive. Each one has its task, and each task is an honour. And the working bees waste no time in vain or dangerous flights around diseased or poisonous flowers. They make no adventurous attempts. They do not fail to carry out their mission, they do not rebel against the purpose for which they were created. O admirable little beings: how much you teach men???' JESUS becomes lost in His meditation."
